COUNTY ELECTION SPECIAL

Peter Latham and Fred Birkett promise that if you elect us, we will work to:

- KEEP** Council tax as low as possible and service quality as high as possible
- MAINTAIN** A high quality road network, using the latest technology to repair and improve them
- SPEND** £179 million of capital investment on new and extended school buildings between 2017-20 to ensure a place for every child in Hampshire
- PROVIDE** The very best support for the elderly, particularly those needing social care, by using all available resources to maintain and improve services
- MAKE** Hampshire healthier by working with the NHS and partners
- KEEP** Libraries wherever possible and extend services they offer

Under the **CONSERVATIVES**, Hampshire County Council has had many outstanding achievements since the last election. Here are just a few:

- Frozen Council Tax for 5 years and it remains one of the lowest in the country
- Built more care homes for the elderly, provided more placements for young adults and secured more homes for key workers
- Ensured that 90% of our schools are rated as either good or outstanding
- Provided 800 additional care beds and 6 extra care homes to help the elderly and ease pressures on the NHS
- 90% of our children get their first choice of school

As this period of austerity continues we will do all we can to ensure that the services provided by Hampshire County Council are maintained at the highest standards to which you are accustomed.

*Please remember to vote – we are counting on **YOUR** support*
