AIM TO DO FOR FAREHAM

VOTE FOR

TOM DAVIES

THE stronger voice needed to make YOUR views heard

UNWANTED development, speeding, littering, traffic and an increasing amount of anti-social behaviour in the town centre are some of the issues affecting all of our day to day lives.

Your vote on 3rd May will be crucial in deciding who represents you to deal with these issues. I understand our local issues and I'm working hard for you in Fareham East & Wallington to improve our area.

I'll be promoting resident input to ensure all views are heard. I promise that if elected I will not only work hard but will listen and put the views of residents first. I have drive, enthusiasm and new ideas. I also have the experience to make things happen.

I'm active within our community and I hope I've done some good. Many residents are concerned about de-

velopment in our area. I understand this concern,

I ran two petitions in the past against greenfield development which received enough signatures for a formal council response. It's important we ensure sustainability and promote brownfield sites for first usage.

I'm a contributor to the News, regularly quoted in articles and I'm published in the letters page often. I have also been on BBC Radio Solent discussing local issues. I went on Solent TV in the winter to

campaign for grit bins to be refilled and replaced after there was a lack of action.

After my appearance the bins were soon replaced and refilled.

If you're on Facebook please consider following my page for local information and events.

DON'T THROW IT ALL AWAY

On Thursday, May 3 trust the **CONSERVATIVE** Council that's delivered the goods year after year

CONSERVATIVES HAVE GOT SO MUCH MORE TO OFFER

FAREHAM'S ECONOMY

Hundreds of new jobs already created at the Solent Enterprise Zone at Daedalus; we will enable thousands more. We will ensure that Solent Airport becomes self-supporting as flight numbers, already up by 50%, continue to grow

We will pursue the publicly supported visions to enhance both Fareham and Portchester shopping centres

We will continue to support better broadband provision in the areas such as Whiteley and others which still do not have it

FAREHAM'S COMMUNITY

We have built new community centres at Whiteley and Portchester plus the Holly Hill Leisure Centre and Coldeast Play Park

We will upgrade all of our children's playgrounds and continue to support youth services via Y-Services

We will continue to campaign for minor injuries treatment, elderly care and maternity beds at Fareham Community Hospital as well as finding a public transport solution

FAREHAM'S HOUSING

We will enable sufficient new homes for Fareham's housing need and fight government attempts to increase. That is 8,000 by 2036, mainly at Welborne

We will protect as much of our countryside as possible by using brownfield land first and, therefore, need to decide where the new homes go so that is not done by an appeal inspector without infrastructure

We will deliver as much affordable housing as possible including council housing, shared equity housing, discounted and even self-build homes

DEDICATED TO THE WARD

• Tom has been consistent in his bid to keep Fareham clean. He knows that most people wouldn't dream of littering and simply cannot understand why litter louts don't care.

• Tom has acted on feedback from residents telling him that cold callers are becoming an increasing nuisance by dishing out hundreds of No Cold Calling stickers.

• Tom is keen to maintain Council efficiency to sustain our current level of local services and keep council tax low.

• Tom runs an annual check of every grit bin to make sure our public spaces are prepared for a cold snap. This grit is for use on any public road or footpath.

CONTACT TOM ANY TIME

Tom has lived in Fareham since he was 4 and is passionate about our area and making sure it's the best place it can be. He puts people politics above party politics; to him, the concerns of local people are the most important thing.

He works as an accountant helping small and medium size businesses improve their efficiency and hopes these skills will help him to make sure taxpayers' money is well spent.

Tom has interests and skills that he hopes to bring to the table, but he has no specific agenda and wants resident-driven input to guide his decisions and to be known as someone who listens and acts.

He has recently moved into his first home near the town centre and his door will always be open to anyone.

FAREHAM'S TRANSPORT

We have worked with the highways authority and Highways England to bring forward over £500 million of roads investment:

Stubbington Bypass, Newgate Lane North and South, St Margaret's Roundabout, Peel Common Roundabout and A27 dual carriageway from Segensworth to Fareham

Smart Motorway programme to add extra lanes to the M27 and M3 with variable speed limits and major improvements to Junctions 9 and 10

FAREHAM'S FINANCES

We froze the Council Tax for 7 years and have recently increased it by just a penny a day. That is our pledge for the future

We invest in commercial property, mainly in Fareham, which brings benefits in terms of keeping council tax low and preserving excellent services

We only raise 14% of spending from Council Tax, so we are very careful with your money which is why we continue to set almost the lowest district council tax in England while providing some of the best services

FAREHAM'S ENVIRONMENT

We have pledged to ban the use of single-use plastics by the Council as soon as possible

We will work with the police to see zero tolerance of pavement parking which is both anti-social and dangerous

We aim to introduce a recycling scheme for pots, tubs and trays for Fareham residents until it can be provided across Hampshire

Conservatives spend every penny of your money wisely – that's why you pay one of the lowest council taxes in England

Meet the candidate who cares for his ward

Talking to people over a pint

Tom wants to get as many views as possible, regardless of whether they are in support or not. Listening is the most important thing and that's what residents deserve. Tom will be touring pubs, coffee shops and running street stalls.

Campaign against litter louts

Litter is becoming a problem in Fareham both in pedestrianised areas and on our roads. Tom will campaign for better litter enforcement against litter louts to end this. We must also provide more bins in hot spot areas.

Where can we park?

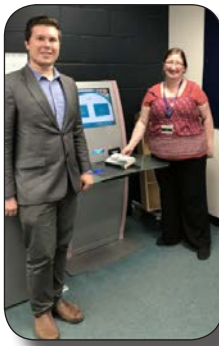

Town centre residents have told Tom about issues with getting a parking space. He wants to expand resident-only parking zones so people who live here can park. We must also look at lowering town centre car parking charges.

More play areas needed

Tom meets parents out and about and some would like to expand Fareham's excellent play areas with a new one in Wallington and more facilities at Salterns.

Preserving services

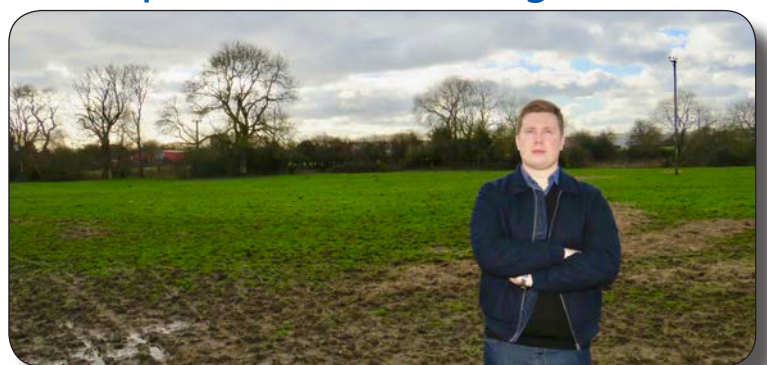

Current levels of local services must be maintained, including libraries. Tom is pictured with Vici at the re-opening of the refurbished Fareham Library

Checking the grit bins

Tom runs an annual check of every grit bin in the ward to make sure our public spaces are prepared for a cold snap. If he finds a damaged one, he will contact the County Council to replace it. This grit is for use on any public road or footpath.

Develop 'brown' fields, not green

Protecting green spaces for future generations is our responsibility. I recognise the need for development but we don't want to see all green spaces built on. We must work to prioritise brownfield sites.
