PAMELA BRYANT

Her record shows who really cares for our community

PAMELA BRYANT always tries to do her best for all residents, but one of her real pleasures is to help the local community and the groups of local people with projects as these locally based organisations are so valuable to us all.

She would be delighted to hear of any other local projects requiring help.

Fareham North is so lucky to have some excellent sporting facilities and organisations for all ages as well as clubs for the younger residents, so Pamela is delighted that community grants have assisted clubs within the ward.

Three examples of organisations in North Ward to benefit from such funding are:

The 1st Fareham Scouts required major funding for a new roof to their old building, so in scouting tradition they organised projects and fundraising events to raise money, but thanks to a Fareham Council Community Grant they were able to receive funding of £4,911.61 to secure the roof from

the elements in a considerably short space of time.

The Park Lane Bowling Club has a thriving membership, using their building all year round not just during the summer months.

As previously reported in *InTouch*, they have new security doors to their building, but also much needed replacement heaters and outside lighting.

They are able to keep costs to a minimum for their improvements, thanks to the Council's contribution of £1,200 together with the skills available from members in taking on many of the projects.

The third grant awarded to the ward is a real pleasure for the village of Funtley who are organising a village fete on 23th June.

A Community Grant of £1,659.71 together with advice from Council officers on ways to access a variety of items required on the day has assisted the committee in resur-recting this welcomed community project.

DON'T THROW IT ALL AWAY

On Thursday, May 3 trust the **CONSERVATIVE** Council that's delivered the goods year after year

CONSERVATIVES HAVE GOT SO MUCH MORE TO OFFER

FAREHAM'S ECONOMY

Hundreds of new jobs already created at the Solent Enterprise Zone at Daedalus; we will enable thousands more. We will ensure that Solent Airport becomes self-supporting as flight numbers, already up by 50%, continue to grow

We will pursue the publicly supported visions to enhance both Fareham and Portchester shopping centres

We will continue to support better broadband provision in the areas such as Whiteley and others which still do not have it

FAREHAM'S SPORT & LEISURE

The Leisure Centre in Park Lane continues to attract large numbers of residents daily, many of them also enjoy the refurbished recreation ground as well as the paths used by numerous dog walkers

Within the rolling programme Funtley Recreation Ground is about to be refurbished to include a basket swing, climbing wall, wobble board and outdoor gym equipment

We have built new community centres at Whiteley and Portchester plus the £9m Holly Hill Leisure Centre

FAREHAM'S HOUSING

We will enable sufficient new homes for Fareham's housing need and fight government attempts to increase. That is 8,000 by 2036, mainly at Welborne

We will protect as much of our countryside as possible by using brownfield land first and, therefore, need to decide where the new homes go so that is not done by an appeal inspector without infrastructure

We will deliver as much affordable housing as possible including council housing, shared equity housing, discounted and even self-build homes

DEDICATED TO THE WARD

Tim Geoghagen, Miller Drive: "Pam has been a great help when I had concerns about road safety in the ward. Pam directed me to the correct person at Fareham Borough to raise concerns and followed up my enquiry to ensure I was happy with the action - it was a great example of a councillor doing a good job to help improve our part of Fareham."

Mollie Winkless, Oxford Close: "Pam is an excellent ward councillor, she has so much local knowledge which is a valuable asset as well as always being available to listen to residents' concerns. She always helps whenever possible."

Don Smith, Wakefield Avenue: "Pam Bryant is completely devoted to the good of Fareham and the good of the local community in Fareham North and Funtley. She epitomises all that is best about Fareham, always has and always will."

Gerry Ayres, Highlands Road: "I am most grateful to Pam for the help she has given me with a number of issues in recent years; she has always been quick to resolve my concerns. She is a great asset to our local community and Fareham Borough Council."

CONTACT PAMELA ANY TIME

A retired medical secretary, Pamela Bryant has gained a wealth of knowledge and experience as your local councillor with 23 years' service to Fareham.

She was born in Fareham and has lived in North Ward for over 50 years.

Her daughter, Louise, is her ward colleague, having followed in the footsteps of Pamela's late husband, Alderman John Bryant.

Pamela and Louise work as a team to represent the views of all Fareham North Ward residents.

FAREHAM'S TRANSPORT

We have worked with the highways authority and Highways England to bring forward over £500 million of roads investment:

Stubbington Bypass, Newgate Lane North and South, St Margaret's Roundabout, Peel Common Roundabout and A27 dual carriageway from Segensworth to Fareham

Smart Motorway programme to add extra lanes to the M27 and M3 with variable speed limits and major improvements to Junctions 9 and 10

FAREHAM'S FINANCES

We froze the Council Tax for 7 years and have recently increased it by just a penny a day. That is our pledge for the future

We invest in commercial property, mainly in Fareham, which brings benefits in terms of keeping council tax low and preserving excellent services

We only raise 14% of spending from Council Tax, so we are very careful with your money which is why we continue to set almost the lowest district council tax in England while providing some of the best services

FAREHAM'S ENVIRONMENT

We have pledged to ban the use of single-use plastics by the Council as soon as possible

We will work with the police to see zero tolerance of pavement parking which is both anti-social and dangerous

We aim to introduce a recycling scheme for pots, tubs and trays for Fareham residents until it can be provided across Hampshire

Conservatives spend every penny of your money wisely – that's why you pay one of the lowest council taxes in England

Always putting residents and her ward first

Welcoming young trust member

Congratulating Brad Baines who had just been elected as a new trustee of Y-Services at the agm. "It's nice to see young members joining the board to ensure the good work and young people's views are carried forward," says Pam.

Improvements ease traffic flows

Inspecting some of the recent improvements to Fareham station approach carried out in conjunction with major works to the roundabout and The Avenue to improve traffic flows.

Fighting waste

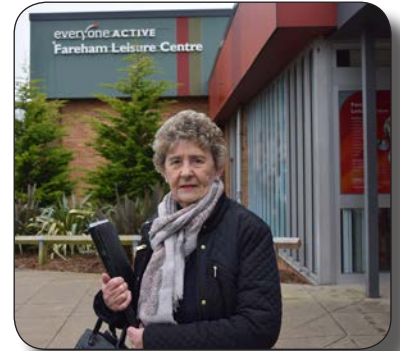

Meeting the food champion who works with FBC to promote the Love Food, Hate Waste campaign.

Garden makeover

Partially-sighted Betty Richards was delighted to tell Pamela she had a visit from Alan Titchmarsh and BBC team after being nominated for a garden makeover.

Surgery time

Pamela is about to go into Fareham Leisure Centre where North Ward councillors hold monthly surgeries.

Pamela campaigns to stop these examples of selfish parking

Inconsiderate parking is happening across the ward and Pamela has consulted the police, who have visited the area. Drivers have to mount verges to pass in some cases.
