CONSERVATIVES HAVE GOT SO MUCH MORE TO OFFER

FAREHAM'S ECONOMY

Hundreds of new jobs already created at the Solent Enterprise Zone at Daedalus; we will enable thousands more. We will ensure that Solent Airport becomes self-supporting as flight numbers, already up by 50%, continue to grow

We will pursue the publicly supported visions to enhance both Fareham and Portchester shopping centres

We will continue to support better broadband provision in the areas such as Whiteley and others which still do not have it

FAREHAM'S COMMUNITY

We have built new community centres at Whiteley and Portchester plus the Holly Hill Leisure Centre and Coldeast Play Park

We will upgrade all of our children's playgrounds and continue to support youth services via Y-Services

We will continue to campaign for minor injuries treatment, elderly care and maternity beds at Fareham Community Hospital as well as finding a public transport solution

FAREHAM'S HOUSING

We will enable sufficient new homes for Fareham's housing need and fight government attempts to increase. That is 8,000 by 2036, mainly at Welborne

We will protect as much of our countryside as possible by using brownfield land first and, therefore, need to decide where the new homes go so that is not done by an appeal inspector without infrastructure

We will deliver as much affordable housing as possible including council housing, shared equity housing, discounted and even self-build homes

WHAT WE PLAN TO DO

- Continue to maintain almost the lowest council tax in the country while making savings and preserving front-line services
- Start work at Welborne in 2019-20
- Deliver planned improvements to the M27 J9 and new all-moves J10
- Newgate Lane South almost completed Stubbington by-pass now fully funded
- Complete A27 Segensworth to town centre dual carriageway
- Continue to deliver a Vision for the Solent Enterprise Zone at Daedalus to provide thousands of highly skilled jobs and infrastructure
- Fight hard any planning appeals which threaten our strategic countryside gaps

NOT BORN WITH A SILVER SPOON

Geoff Fazackarley is currently Mayor of Fareham, but he wasn't born with a silver spoon in his mouth.

He had a tough upbringing and as he grew up he worked at every job he could find - washing cars, sweeping floors and even sleeping rough under South Parade Pier aged 16.

At 20 he became a bus driver at Chichester, worked his way up to inspector and is now controller for Xelabus in Eastleigh.

He is married to Tina and they have two sons, Michael and Richard.

FAREHAM'S TRANSPORT

We have worked with the highways authority and Highways England to bring forward over £500 million of roads investment:

Stubbington Bypass, Newgate Lane North and South, St Margaret's Roundabout, Peel Common Roundabout and A27 dual carriageway from Segensworth to Fareham

Smart Motorway programme to add extra lanes to the M27 and M3 with variable speed limits and major improvements to Junctions 9 and 10

FAREHAM'S FINANCES

We froze the Council Tax for 7 years and have recently increased it by just a penny a day. That is our pledge for the future

We invest in commercial property, mainly in Fareham, which brings benefits in terms of keeping council tax low and preserving excellent services

We only raise 14% of spending from Council Tax, so we are very careful with your money which is why we continue to set almost the lowest district council tax in England while providing some of the best services

FAREHAM'S ENVIRONMENT

We have pledged to ban the use of single-use plastics by the Council as soon as possible

We will work with the police to see zero tolerance of pavement parking which is both anti-social and dangerous

We aim to introduce a recycling scheme for pots, tubs and trays for Fareham residents until it can be provided across Hampshire

Conservatives spend every penny of your money wisely – that's why you pay one of the lowest council taxes in England

Geoff makes it happen in Fareham South

Trying to improve bus services

Geoff holds meetings to encourage bus travel for the elderly and to help in getting the best routes such as the re-routing of the Asda free bus. He plans to meet bus companies to discuss improving services.

Geoff's 'a doer'

Geoff has raised over £7,000 this year for the Moving On project and David Pointon, chairman of trustees, said: "Whatever you ask him to do, the task is never impossible. He's a doer."

Bid for better bus shelters

Geoff met Deborah waiting at the bus stop and fully supported his bid to upgrade or replace South Ward's bus shelters.

Tackling concerns over homelessness situation

Responding to residents' concerns over homelessness in The Gillies, Geoff spoke to Two Saints, the homeless charity, with which he will work. He will also engage with the Moving On project, announcing £364,000 put in by the council to tackle the homelessness situation.

Dealing with squatters issue

Susan White asked Geoff to help with the security at the flats where she lives. Squatters were climbing scaffolding to get in. Geoff promised her he would deal with it.

Great charity effort for little Sam

Paul Merrick, founder of Sam's Haven, fully supports Geoff. "He's been a marvel, raising over £7,000 so far this year and works tirelessly for our charity." Pictured with Paul and little Sam after whom the charity is named.

A 'shining example' at the heart of the community

Haley Hamlett, of One Community (pictured right) said: "He's a shining example of how a councillor works and delivers." Inset: At Broadlaw Skills Café Geoff and Councillor Keith Barton discuss generating more interest and creative classes with officers Mark Grindrod and Gary Clark.
