Hugh SACH

A friendly, inclusive voice for all. Champion of equality and lover of the environment. "I will work hard to protect our green spaces, habitats for wildlife and conserve our nature in Portchester," states Callum. He is also passionate about regenerating The Precinct, ensure the best play area facilities, helping groups that stop the elderly being on their own, working on projects for the homeless and trying to get better bus services.

Crime is on the rise in Portchester and a neighbourhood watch scheme is desperately needed. I will be looking to set-up a scheme with the assistance of our PPC. It is essential to keep our roads safe; pupils from Castle Primary and Portchester Community Schools cross White Hart Lane and Castle Street, so it is important to maintain both roads' safety. Many disabled people feel they have no-where to turn and I plan to help set up support groups to give them a voice.

DON'T THROW IT ALL AWAY

On Thursday, May 3 trust the **CONSERVATIVE** Council
that's delivered the goods year after year

CONSERVATIVES HAVE GOT SO MUCH MORE TO OFFER

FAREHAM'S FINANCES

We froze the Council Tax for 7 years and have recently increased it by just a penny a day. That is our pledge for the future.

We invest in commercial property, mainly in Fareham, which brings benefits in terms of keeping council tax low and preserving excellent services

We only raise 14% of spending from Council Tax, so we are very careful with your money which is why we continue to set almost the lowest district council tax in England while providing some of the best services

FAREHAM'S TRANSPORT

We have worked with the highways authority and Highways England to bring forward over £500 million of roads investment:

Stubbington Bypass, Newgate Lane North and South, St Margaret's Roundabout, Peel Common Roundabout and A27 dual carriageway from Segensworth to Fareham

Smart Motorway programme to add extra lanes to the M27 and M3 with variable speed limits

FAREHAM'S ENVIRONMENT

We have pledged to ban the use of single-use plastics by the Council as soon as possible

We will work with the police to see zero tolerance of pavement parking which is both anti-social and dangerous

We will aim to introduce a recycling scheme for pots, tubs and trays for Fareham residents until it can be provided across Hampshire

WHAT WE PLAN TO DO

- Continue to maintain almost the lowest council tax in the country while making savings and preserving front-line services
- Work hard to ensure certain delivery of homes, jobs and infrastructure at Welborne by 2036
- Deliver planned improvements to the M27 J9 and new all-moves J10
- Improve Newgate Lane by building new southern section, aim to achieve funding for Stubbington by-pass which has planning consent
- Improve A27 Segensworth to town centre with dual carriageway, redesign station roundabout/Gudge Heath Lane/Redlands Lane junctions
- Continue to deliver a Vision for the Solent Enterprise Zone at Daedalus to provide thousands of highly skilled jobs and infrastructure
- Fight hard any planning appeals which threaten our strategic countryside gaps
