- Worked with residents to improve parking facilities in Birchen Close
- Replied quickly to residents to give support for rubbish control, collection and liaising with Fareham Council to improve local footpaths

So who's brought all these benefits to **TITCHFIELD COMMON?**

Certainly NOT the **Lib Dems**

Definitely NOT **Labour**

Absolutely NOT **UKIP**

DON'T LET THEM THROW IT ALL AWAY

On Thursday, May 3 trust the **CONSERVATIVE** Council that's delivered the goods year after year

CONSERVATIVES HAVE GOT SO MUCH MORE TO OFFER

FAREHAM'S ECONOMY

Hundreds of new jobs already created at the Solent Enterprise Zone at Daedalus; we will enable thousands more. We will ensure that Solent Airport becomes self-supporting as flight numbers, already up by 50%, continue to grow

We will pursue the publicly supported visions to enhance both Fareham and Portchester shopping centres

We will continue to support better broadband provision in the areas such as Whiteley and others which still do not have it

FAREHAM'S COMMUNITY

We have built new community centres at Whiteley and Portchester plus the Holly Hill Leisure Centre and Coldeast Play Park

We will upgrade all of our children's playgrounds and continue to support youth services via Y-Services

We will continue to campaign for minor injuries treatment, elderly care and maternity beds at Fareham Community Hospital as well as finding a public transport solution

FAREHAM'S HOUSING

We will enable sufficient new homes for Fareham's housing need and fight government attempts to increase. That is 8,000 by 2036, mainly at Welborne

We will protect as much of our countryside as possible by using brownfield land first and, therefore, need to decide where the new homes go so that is not done by an appeal inspector without infrastructure

We will deliver as much affordable housing as possible including council housing, shared equity housing, discounted and even self-build homes

ALL THE MAKINGS OF A GOOD COUNCILLOR

Councillor Sarah Pankhurst: "Karen is passionate that Titchfield Common's residents have another voice fully represented at FBC.

She works hard to ensure that residents receive regular updates via our quarterly In Touch.

She has local knowledge and is interested to hear from all residents.

Karen works hard within a medical environment and understands issues with patient accessing local GPs.

She is keen to ensure affordable housing is accessible without loss of important green field sites. I hope to be able to work with Karen to keep Titchfield Common a pleasant and safe place to live."

Mrs Jay Wright, Peckham Close: "I have known Karen for a number of years and you will not find a more honest and reliable person. I feel she would make a very good councillor."

Mrs Linda Phelps, Gillcrest: "Karen and I are on the same committee and she very quickly became secretary soon after joining. Her commitment to this role is exemplary and I believe she would apply these skills and other qualities to that of being a councillor. She is devoted to whatever role she takes on."

HARD-WORKING AND DEDICATED

College educated, Karen Healey has worked for the past 14 years as a medical secretary for consultant surgeons.

Her consultants and colleagues describe her as hard-working, dedicated, caring, helpful, professional and efficient. She is also fun loving with a good sense of humour.

An active member and secretary of Warsash Theatre Club, Karen had her first go at directing last year, which she described as a challenge.

She keeps fit as a member of Holly Hill Leisure Centre.

FAREHAM'S TRANSPORT

We have worked with the highways authority and Highways England to bring forward over £500 million of roads investment:

Stubbington Bypass, Newgate Lane North and South, St Margaret's Roundabout, Peel Common Roundabout and A27 dual carriageway from Segensworth to Fareham

Smart Motorway programme to add extra lanes to the M27 and M3 with variable speed limits and major improvements to Junctions 9 and 10

FAREHAM'S FINANCES

We froze the Council Tax for 7 years and have recently increased it by just a penny a day. That is our pledge for the future

We invest in commercial property, mainly in Fareham, which brings benefits in terms of keeping council tax low and preserving excellent services

We only raise 14% of spending from Council Tax, so we are very careful with your money which is why we continue to set almost the lowest district council tax in England while providing some of the best services

FAREHAM'S ENVIRONMENT

We have pledged to ban the use of single-use plastics by the Council as soon as possible

We will work with the police to see zero tolerance of pavement parking which is both anti-social and dangerous

We aim to introduce a recycling scheme for pots, tubs and trays for Fareham residents until it can be provided across Hampshire

Conservatives spend every penny of your money wisely – that's why you pay one of the lowest council taxes in England

Karen gets to grips with ward issues

Potential danger to pedestrians

Mr Geoff Townley, of Lower Church Road, pointing out to Karen a protruding cable on the pavement from a nearby garden, posing a potential trip hazard. Karen is now investigating this with the company concerned.

A problem at Dimmocks Corner

Getting to know local people

Keen to meet local residents, Karen took a walk around Lincoln Close and Community Centre. She spent some time chatting to this lady about the area.

Investigating speeding traffic complaint

Karen meets new ward resident Uma Fernandes to discuss speeding traffic and difficulty coming out of her drive onto the busy Warsash Road.
