# CONSERVATIVES HAVE GOT SO MUCH MORE TO OFFER

## FAREHAM'S ECONOMY

Hundreds of new jobs already created at the Solent Enterprise Zone at Daedalus; we will enable thousands more. We will ensure that Solent Airport becomes self-supporting as flight numbers, already up by 50%, continue to grow

We will pursue the publicly supported visions to enhance both Fareham and Portchester shopping centres

We will continue to support better broadband provision in the areas such as Whiteley and others which still do not have it

## FAREHAM'S COMMUNITY

We have built new community centres at Whiteley and Portchester plus the Holly Hill Leisure Centre and Coldeast Play Park

We will upgrade all of our children's playgrounds and continue to support youth services via Y-Services

We will continue to campaign for minor injuries treatment, elderly care and maternity beds at Fareham Community Hospital as well as finding a public transport solution

## FAREHAM'S HOUSING

We will enable sufficient new homes for Fareham's housing need and fight government attempts to increase. That is 8,000 by 2036, mainly at Welborne

We will protect as much of our countryside as possible by using brownfield land first and, therefore, need to decide where the new homes go so that is not done by an appeal inspector without infrastructure

We will deliver as much affordable housing as possible including council housing, shared equity housing, discounted and even self-build homes

## WHAT WE PLAN TO DO

- Continue to maintain almost the lowest council tax in the country while making savings and preserving front-line services
- Start work at Welborne in 2019-20
- Deliver planned improvements to the M27 J9 and new all-moves J10
- Newgate Lane South almost completed Stubbington by-pass now fully funded
- Complete A27 Segensworth to town centre dual carriageway
- Continue to deliver a Vision for the Solent Enterprise Zone at Daedalus to provide thousands of highly skilled jobs and infrastructure
- Fight hard any planning appeals which threaten our strategic countryside gaps

## DEDICATED TO HER WARD

Connie Hockley has represented Titchfield Ward for 20 years and finds the job rewarding. She has served on numerous council committees and outside bodies and was Executive Member for Leisure and Community for 12 years – an important responsibility covering all aspects of sport, leisure and recreation. She strongly supports the annual Fareham in Bloom contests, Titchfield Village Trust, Cat-isfield Village Association and Friends of St Peter's Church. She was Mayor of Fareham in 2016-17.

## FAREHAM'S TRANSPORT

We have worked with the highways authority and Highways England to bring forward over £500 million of roads investment:

Stubbington Bypass, Newgate Lane North and South, St Margaret's Roundabout, Peel Common Roundabout and A27 dual carriageway from Segensworth to Fareham

Smart Motorway programme to add extra lanes to the M27 and M3 with variable speed limits and major improvements to Junctions 9 and 10

## FAREHAM'S FINANCES

We froze the Council Tax for 7 years and have recently increased it by just a penny a day. That is our pledge for the future

We invest in commercial property, mainly in Fareham, which brings benefits in terms of keeping council tax low and preserving excellent services

We only raise 14% of spending from Council Tax, so we are very careful with your money which is why we continue to set almost the lowest district council tax in England while providing some of the best services

## FAREHAM'S ENVIRONMENT

We have pledged to ban the use of single-use plastics by the Council as soon as possible

We will work with the police to see zero tolerance of pavement parking which is both anti-social and dangerous

We aim to introduce a recycling scheme for pots, tubs and trays for Fareham residents until it can be provided across Hampshire

**Conservatives spend every penny of your money wisely – that's why you pay one of the lowest council taxes in England**

# Devoted to village causes and functions

## A great fan of annual floral contest

Connie is an ardent supporter of the annual South and South East in Bloom contest. (Above) she and County Councillor Geoff Hockley meet judges Kevin Tait and Fiona Phillips. (Inset) With Titchfield Councillor Tiffany Harper meeting BBC Radio Kent gardening presenter Joe Talbot.

## Cancer fund raising

Connie supports a fund raising event at The Haven breast cancer unit. She is pictured with Fund Raising Manager Sally Hillyear.

## Connie always keeps in touch

FBC has financially helped the Trustees of Catisfield Memorial Hall to bring it up to an excellent standard. Connie keeps in touch by attending the Catisfield Village Association's coffee mornings.

## Your left-offs can go to good causes

Connie uses this clothes and shoes recycling bin in the Community Centre car park because a percentage of the money received is used to fund the Council's 'Community Pot' and many local causes.

## Youth club's new kitchen

Connie meets Alfie Fewings and Alice Hunt (young worker for Y-Services) in Oasis Youth Club's newly furnished kitchen to which FBC and other supporters contributed £3,230 towards the cost.

## Gerald is impressed with the tea service

Connie enjoys being 'tea lady' for Gerald Read during a visit to the Earl of Southampton Trust Day Rooms. She is one of 9 trustees and, apart from the Day Rooms, there are 19 almshouses in the village run by the Trust.
