

CONSERVATIVES – Two decades of exceptional civic service

InTouch

FAREHAM SOUTH – Spring 2020

Low tax, top-quality living – we're the envy of the nation

FAREHAM'S got it all – thanks to the Conservatives. And we've every reason to blow our own trumpet.

We're the envy of the nation when it comes to health, happiness and satisfaction with life. And much more.

Not our words, but those of the latest Halifax survey that rates the Borough the second best place in the UK to live.

What's more, we provide all-round first-class services for one of the lowest council taxes in the country.

And that still holds good, although we will be increasing our element by just 1p per day for 2020-21 for the average property.

Presenting the annual budget, Council Leader Seán Woodward said: "I'm not at all surprised, but it's good to have the place and community recognised.

"We've got it all, we're very well connected to London, we have access to the sea, the river Hamble and countryside. It's a great place to work, to live and to bring up a family."

Since taking over the near-bankrupt Council nearly 21 years ago, **Conservatives** have battled to maintain first-rate services in the face of Government support dwindling to zilch.

We've done it by prudent handling of ratepayers' cash and multi-million pound investments, all contributing to the low council tax envied by almost all councils nationwide.

While Fareham collects just £7m in council tax, it spends

£45m on services to residents and has a £93m capital programme, which includes £7.5m to build much-needed council houses for the first time in a generation.

It also includes further investment in Solent Airport@Daedalus to provide space for many new businesses to create more employment.

Ferneham Hall is being rebuilt and modernised in a £12.5m project to provide a

fantastic new entertainment and community venue, while improvements to Fareham's two leisure centres will cost £6.3m.

Fareham Leisure Centre will get:

- Expanded ground floor gym area by extending the building
- Internal splash pad added to the swimming pool
- New reception counter and refurbishment of the foyer
- New studio space and climbing area on lower ground floor
- Conversion of squash courts to soft play area
- Refurbishment of dry changing rooms and café
- Additional parking

Holly Hill Leisure Centre will get:

- Conversion of large pool store into sauna and steam room
- Improvements to main foyer layout.

Seán Woodward added: "While the government says austerity is over – and for many public services that may be true – for local government it certainly is not, so we continue to make savings while delivering excellent services as the revenue support grant has now fallen to zero."

Boris gives Suella the power of Attorney

to PM Boris Johnson during Brexit was rewarded in his Cabinet reshuffle with the prestigious post of Attorney General.

The 39-year-old barrister is now the chief legal advisor to The Crown, with several associated responsibilities such as overseeing the Crown Prosecution Service and Serious Fraud Office.

Her appointment has already ruffled a few judges' wigs as she was quoted recently stating the courts should stay out of politics and Parliament must 'retrace power

ceded to the courts'.

"In reality, repatriated powers from the EU will mean precious little if our courts continue to act as political decision-maker, pronouncing on what the law ought to be and supplanting Parliament," she said.

Fareham **Conservative** Association chairman Ray Hanslip said:

"We know she will undertake her new responsibilities with the same enthusiasm and attention to detail that she brings to her constituency work."

CONGRATULATIONS! She's done us and her family proud.

Fareham MP Suella Braverman's loyalty

Almost England's lowest district council tax – thanks to CONSERVATIVES

NEWS ROUND

Apprentice award

As part of the National Apprenticeships Week, Fareham MP Suella Braverman met the team from Fullers Brewery, who run Cams Mill pub in Fareham.

Suella is pictured presenting a certificate to Fareham apprentice Paloma Thukani who works there.

If you're interested in starting an apprenticeship check out www.apprenticeships.gov.uk

Können Sie deutsch sprechen?

Fareham-Pulheim Twinning Association will be holding a conversation evening from 7.30 to 9.00pm on Monday, March 23 in Fareham.

Why not come along and brush up your spoken German? There is no charge for this event.

The association is also holding a German quiz and supper at Catisfield Village Hall at 7pm on March 27. Cost £7.50.

Email ann.m.mellor@btinternet.com for details.

Plastics given the push

Single use plastics will be eliminated from Council buildings by the end of March.

SUP bottles and drinking straws were removed and a successful campaign 'Give Plastics the Push', combined with an education programme, will see the last old drinks machines replaced.

InTouch team leader Derek Cummings said: "Fareham is setting an example as a coastal authority and we want you to follow by eliminating what plastic you can and recycle what you can't."

Stores closure crisis

Beale's, which appeared to have bucked the retail crisis in Fareham Shopping Centre, will close shortly after all.

The company was forced to close half its stores nationwide after going into administration in January. Management tried to keep open in Fareham, saying it was the most profitable of the remaining 11 since taking over the former M & S store in November.

But administrators KPMG said they had failed to find a viable buyer.

Major investment for leisure centre

EXCITING new ideas are proposed to improve facilities at Fareham's award-winning Leisure Centre.

Everyone Active, which manages the centre for the Council, announced a significant investment after their contract was renewed for another 10 years.

Councillor Geoff Fazackarley said the plans included adding a splash pad to the swimming pool, creating a new studio space and climbing area, refurbishment of the dry changing rooms and café area.

An extra 43 car parking spaces will also be provided.

He said: "I am delighted with the new improvements and the tremendous efforts by Everyone Active in supporting charities.

"Since 2013, funds have been raised for Breast Cancer Now by hosting a variety of events including quiz nights, car washing, group exercise sessions and cake sales.

"A total of £6,000 has been raised for this worthy cause.

"Fareham South residents benefit from having such a vibrant centre in their locality."

Take a tip – register your car

IF YOU live in Hampshire and need to use recycling centres, you must register your car number before April.

Cars from outside the county or those not registered will be charged £5 per visit.

Automatic Number Plate Recognition cameras will check vehicles entering recycling centres against registered number plates on the database.

It's to make it fairer for county residents who contribute to the annual £100m cost of dealing with waste.

Councillor Geoff Fazackarley said: "It is important our waste tips remain free of charge for residents and only fair that those from outside Hampshire should pay for disposing of their rubbish."

You can register up to 3 vehicles on the HCC website www.hants.gov.

Fareham may be spared County's libraries axe

FAREHAM residents have been assured that the Borough's libraries are not on the County Council's closures list, but opening hours may be cut.

It follows the controversial announcement that the County has to reduce its £80m budget shortfall and the libraries must contribute £1.76m in efficiency savings.

The preferred option is to close up to 10 of the smaller, less-used Council libraries and reduce opening hours in the remaining 38 by 15%.

County Councillor Peter Latham said: "Another option would be not to close any libraries, but reduce the opening hours by 25% across the board. "Either option would produce a saving of just

over £1 million per annum.

"If the first option is chosen, not one of the 4 libraries in Fareham would close because they are all so heavily used.

"The Council would prefer not to close any libraries, but savings have to be made."

However, fewer people are visiting libraries, preferring digital options.

In the past 8 years, there was a 27% reduction in

visits from 7 million to 5.1 million, but virtual visits increased 270% from 460,000 to 1.7 million.

There is a public consultation – deadline March 18 – for which HCC identified 3 priorities:

- 1 Promoting reading with a particular focus on children's literature,
- 2 Establishing the libraries as hubs to support healthy and thriving communities.
- 3 Investing in digital services to help people access information and services online.

The consultation is available at www.hants.gov.uk/library-consultation or call at your local library where public drop-in sessions are being held.

Councillor Latham, pictured in Fareham Library, added: "Your views are important and we would welcome your input."

Charity stemmed from lost wedding rings

ACTS of Kindness charity has opened a shop in Fareham South.

The group started in 2014 when a lady lost her wedding rings and the community came together to help her look for them. They were found by a couple who lived nearby.

AOK aims to relieve the effects of poverty, provide support to the vulnerable and recognise those in the community who have served beyond expectation.

They provide food, clothing and household

items to those in need and co-ordinate support of community projects.

Founder Kerry Snuggs said: "By using the skills and expertise of people in the community, we can make a difference collectively."

InTouch team leader Derek Cummings said:

"This is a fantastic project, because not only does it help the less fortunate in the area, it also brings together the people in the town in a joint effort".

You can visit the shop at 130, Gosport Road.

Flying between the wings

INSTEAD of flitting across the stage, panto fairies will be able to fly above the boards when the new Ferneham Hall reopens in 2022.

Architects' plans include a fly tower – a rigging system enabling scenery and cast to be flown or carried between the wings.

It's one of the exciting new additions to the £12.3m rebuild, for which a planning application has been submitted to the Council.

The new multi-purpose venue's exterior will feature striking red brick accents reflecting the town's history of brickmaking and building of the iconic Royal Albert Hall which was constructed with Fareham 'reds'.

Geoff helps charities to bring Christmas cheer

IT WAS a busy Christmas for Councillor Geoff Fazackarley who helped out at several charity events.

He was again on duty on Christmas Day, working with helpers at St Mary's, Portchester to serve dinners to lonely, elderly residents (pictured top)

In the run-up, he helped the ladies from One Community to wrap presents for cash (pictured centre) and also took part in the charity's lights switch-on (pictured bottom).

Veterans' Railcard

The Government will introduce the UK's first Veterans' Railcard, which will provide a third off their fares.

Available from Armistice Day 2020, it will provide cheaper train travel for 830,000 veterans. It forms part of the Government's wider veterans action plan to ensure they have the support to thrive after serving their country.

Now we can move on from the Brexit paralysis

Thank You to everyone who voted for me at the General Election in December.

We secured a record-breaking result for the Conservatives, with an increased majority and share of the vote since 2017.

I am humbled and grateful to be re-elected to serve as your MP again and, regardless of your political preference, I am honoured to serve ALL Fareham constituents in my capacity as your voice in Parliament.

Above all we can move on from the divisions and paralysis of recent years.

Prime Minister Boris Johnson promised that he would take the UK out of the EU and this he did on 31st January.

With stability in Government, we can now look forward to investing in more local police (156 in Hampshire initially), more real terms funding for every school pupil in Fareham and record levels of investment to the frontline of our NHS.

Suella

BRAVERMAN MP for Fareham

Whilst I was delighted that Fareham was judged to be one of the best places to live in Britain, I am aware that we still need to work hard to improve our local transport infrastructure.

There are increasing concerns about the safety of Smart Motorways and the ongoing construction on the M27 has worried many residents, thousands of whom use it as part of their daily commute.

On some smart motorways, the refuge points are too far away and the technology is not responsive or effective.

I share those concerns and you can see me raising them directly with the Secretary for State for Transport,

Grant Shapps, in the picture.

I am pleased that the Government has now decided to review the projects with a view to increasing the safety measures.

I will keep working with central government to ensure that a solution is found that prioritises passenger safety.

Junction 10, as part of Welborne Garden Village, also needs vital upgrades to convert it into an 'all-moves' junction.

I have been working with local, regional and national government to identify the funding to ensure that the delivery of the upgrades is guaranteed.

Once delivered, this will significantly reduce congestion, lower journey times and support our local economy.

New measures to tackle louts and drug addicts

THE BOYS in Red are reinforcing the Boys in Blue to target louts and drug addicts in Fareham town centre.

Two security officers in distinct red uniforms are patrolling with powers conferred by Hampshire's Chief Constable.

It's a pilot scheme operating varying hours Mondays to Fridays.

And it complements the Council's successful bid to tackle rough sleeping, for which it has secured an extra £141,450

funding for 2020-21.

The new security officers' powers can:

REQUIRE giving of names and addresses for anti-social behaviour and drug taking
ORDER persons aged under 18 to surrender alcohol
SEIZE tobacco from persons under 16

DEAL with begging

REQUIRE names and addresses for road traffic offences

CONTROL traffic apart from escorting a load of exceptional dimensions

And they will be able to direct rough sleepers to the support provided by the Council's partner charity, Two Saints.

Councillor Geoff Fazackarley said Two Saints were able to employ two outreach workers with the short-term funding the Council was given in 2019.

This year's extra cash will pay for two more outreach workers, who will focus on those leaving prison with complex needs such as substance misuse and find them suitable accommodation.

He added: "The security team has leaflets to hand out to rough sleepers with information about where they can get help."

Fareham could be forced to take Portsmouth, Gosport homes shortfall

FAREHAM could be called upon to help absorb a shortfall of 4,000 houses in Gosport and Portsmouth.

It means the Borough's new development plan, recently issued for public consultation, had to add two highly controversial Strategic Growth Areas (SGAs).

These could lead to the farmland gap between Fareham South and Stubbington and an area south of the M27 west of Downend Road being swamped with hundreds more houses.

Executive member for planning and development Councillor Keith Evans said: "We are required to include a 10%-15% contingency and we have to show the planning inspector that

we have positively considered any unmet need in adjacent authorities.

"Fareham's base requirement is to provide 520 homes a year over the 2020 to 2036 plan period which, including a 15% buffer, is 9,500 – 100 more per annum than the original draft plan.

"After discounting sites already approved such as Welborne, plus those provisionally approved but on hold, and including the estimate for future 'windfall' development, the net number of additional dwellings we have to find over this 15 year period is under 200."

Full details are on the Council's website.
