Keeping our community

## InTouch

FAREHAM is safest and happiest in the hands of the Conservatives.

92% of residents have said they are happy with the way we run the Council.

And a nationwide survey for the Halifax revealed the Borough is second placed in the UK where people are happiest to live.

No wonder. Year on year we prove we can manage your money properly and maintain services, even in these austere times.

We did it on one of the smallest local government grants in the UK and now we get no Revenue Support Grant – even more reason to ensure we stay in control of budgets.

## WHAT WE HAVE DONE FOR FAREHAM

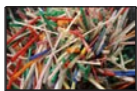

Frozen your council tax for 7 years, then increased by just 1p a day while preserving services. It's almost the lowest in the country

Many new community facilities including Holly Hill Leisure Centre, Coldeast Park; community centres at Portchester, Whiteley; many new play areas

New college, innovation centre, hangars, re-surfaced runway at Solent Airport (Daedalus) enabling thousands of new jobs

Achieved our commitment to phase out the use of Single Use Plastics in council buildings

New sheltered homes for residents with support needs at Collingwood Court and Sylvan Court. New council housing for those in greatest need

Huge £100m road improvement programme, including dual carriageway from Fareham to Sengensworth, roundabout improvements

Frozen town centre parking charges for many years

Designation, funding and planning permission for Welborne garden village to provide homes and jobs for Fareham people

Retaining, supporting Borough's youth services

## WHAT WE PLAN TO DO

Keep council tax increase at 1p a day; make more savings; improve and preserve front-line services

Achieve carbon neutrality by 2030

Work with police for zero tolerance to dangerous pavement parking

Enable provision of affordable homes to cater for Fareham's housing needs

Press for greater use of Fareham Community Hospital, including minor injury treatment

M27. Upgrade Junctions 9 & 10 and complete Stubbington by-pass

Provide light-controlled junction at Barnes Lane/A27 to improve traffic flow

Support strategy to increase police numbers and presence on our streets

Replace Ferneham Hall with a new entertainment and community complex

Ensure proper infrastructure such as roads, school places, community facilities, GP access
