GREEN BELT, GREEN GAPS – ONLY WE HAVE PLANS TO PROTECT THEM

FAREHAM'S HOUSING

We are working hard to ensure that a South Hampshire Green Belt is created including the Meon and Stubbington/South Fareham countryside strategic gaps.

We will deliver Welborne's 6,000 homes and infrastructure to serve Fareham's housing needs removing the need to find land to build them elsewhere.

We will complete a new Local Plan accommodating the government's housing demands but lobby to reduce any need to have housing that is not necessary to meet Fareham's needs.

We will continue to deliver as much truly affordable housing as possible and have underway the biggest council house building programme in Fareham for decades.

FAREHAM'S COMMUNITY

We have built Holly Hill Leisure Centre and are revamping Ferneham Hall as a modern arts and entertainment complex – Fareham Live – and modernising Fareham Leisure Centre.

We will upgrade all playgrounds, having built new ones at Holly Hill, Daedalus Common, Abbey Meadows, Titchfield is under way. We'll continue to support youth services via Y-Services.

We will continue to improve safety and security in Fareham Town Centre with a zero tolerance of begging and anti-social behaviour.

We will continue to campaign for minor injuries treatment, elderly care and maternity beds at Fareham Community Hospital as well as finding a public transport solution.

FAREHAM'S TRANSPORT

We have worked with the highway authority to bring forward over £100m of roads investment:

Stubbington Bypass, Newgate Lane North and South, St Margaret's Roundabout, Peel Common Roundabout and A27 dual carriageway from Segensworth to Fareham.

We will continue to work through the planning process to get further improvements to our road system paid for by developers.

And we renew our pledge that not a brick will be laid at Welborne until full infrastructure funding, including full funding for J10 on to the M27, is in place.

We also plan to extend the Eclipse bus rapid transit service around the Borough.

DEDICATED TO HER WARD

Don Smith, Wakefield Avenue: 'Louise has lived in Fareham all her life and knows the area well.

'She is honest, hard working, totally reliable and is an excellent Councillor for the residents of the ward.'

Trevor Williams, Red Barn Lane: 'I am most grateful to Louise for the help she has given me with a number of issues in recent years.

'She is a great asset to our local community and Fareham Borough Council.'

Graham Fuller, Norton Drive: 'Louise was extremely helpful when a large tree was broken and obstructed the footpath around Park Lane recreation ground.

'She arranged for this to be removed very promptly with council operatives.'

Maggie Nobes, The Drive: 'Having had many issues with road safety and parking in the ward, Louise has directed me to officers at Fareham Borough Council raising my concerns and followed up enquires whenever possible.'

FAREHAM'S ECONOMY

Hundreds of new jobs created at Solent Airport at Daedalus; we will enable thousands more with Solent Airport being self-supporting as flight numbers grow.

We will pursue the publicly-supported visions to enhance both Fareham and Portchester shopping centres.

The Council does not set rates or rents, but as our high streets change towards leisure and eating as well as shops, we must change, too, and offer what support we can, especially as we encourage recovery after the COVID-19 pandemic.

We will keep free car parking in all local shopping areas.

FAREHAM'S FINANCES

We froze the council tax for 7 years and have recently been increasing it by just a penny a day for the FBC element. That is our pledge for the future.

We invest in commercial property in Fareham which brings benefits in terms of keeping council tax low and preserving excellent services.

We only raise 15% of overall spending from council tax and are very careful with your money, which is why we continue to set almost the lowest district council tax in England while providing some of the best services.

FAREHAM'S ENVIRONMENT

We have delivered our pledge to ban the use of single-use plastics by the Council.

We are committed to the Council achieving net zero carbon by 2030 and will establish a deliverable carbon reduction plan this year. Actions not words.

We will work with the police to see zero tolerance of pavement parking which is both anti-social and dangerous as well as more action on antisocial behaviour.

We aim to introduce a recycling scheme for pots, tubs and trays as well as food waste and a wheeled green waste collection.

We will continue a massive programme of tree planting on Council land.

The community is always top of her agenda
