## FAREHAM WEST

WHAT CONSERVATIVES HAVE  
ACHIEVED FOR FAREHAM

Pages 2 & 3

WHAT CONSERVATIVES AIM  
TO DO FOR FAREHAM

On Thursday, May 6 vote for

Tina

# ELLIS

*‘Making Fareham West  
an even better place’*

If you re-elect me, I will:

- **WORK** to help protect Fareham’s green spaces which we have seen over the past year have been critically important to every age group
- **ENSURE** our built environment is in keeping with our priorities, creating great spaces to live, work and for leisure
- **PROMOTE** the health and wellbeing of our residents and ensure council objectives continue to support this
- **SUPPORT** our volunteer communities as these are vital to so many, not only to the individuals who receive help, but also to the volunteers themselves
- **ENCOURAGE** our younger residents to become supportive and engaged individuals, raising awareness of their needs, too
- **LONELINESS** is still a massive concern and I should like to see more progress on this

Fareham has been safe in **CONSERVATIVE** hands for 21 years

# GREEN BELT, GREEN GAPS – ONLY WE HAVE PLANS TO PROTECT THEM

## FAREHAM'S HOUSING

We are working hard to ensure that a South Hampshire Green Belt is created including the Meon and Stubbington/South Fareham countryside strategic gaps.

We will deliver Welborne's 6,000 homes and infrastructure to serve Fareham's housing needs removing the need to find land to build them elsewhere.

We will complete a new Local Plan accommodating the government's housing demands but lobby to reduce any need to have housing that is not necessary to meet Fareham's needs. We will continue to deliver as much truly affordable housing as possible and have underway the biggest council house building programme in Fareham for decades.

## FAREHAM'S COMMUNITY

We have built Holly Hill Leisure Centre and are revamping Ferneham Hall as a modern arts and entertainment complex – Fareham Live – and modernising Fareham Leisure Centre. We will upgrade all playgrounds, having built new ones at Holly Hill, Daedalus Common. Abbey Meadows, Titchfield is under way. We'll continue to support youth services via Y-Services.

We will continue to improve safety and security in Fareham Town Centre with a zero tolerance of begging and anti-social behaviour.

We will continue to campaign for minor injuries treatment, elderly care and maternity beds at Fareham Community Hospital as well as finding a public transport solution.

## FAREHAM'S TRANSPORT

We have worked with the highway authority to bring forward over £100m of roads investment:

Stubbington Bypass, Newgate Lane North and South, St Margaret's Roundabout, Peel Common Roundabout and A27 dual carriageway from Segensworth to Fareham.

We will continue to work through the planning process to get further improvements to our road system paid for by developers.

And we renew our pledge that not a brick will be laid at Welborne until full infrastructure funding, including full funding for J10 on to the M27, is in place.

We also plan to extend the Eclipse bus rapid transit service around the Borough.

## DEDICATED TO HER WARD

I have lived in Fareham West Ward from aged 6, moving back from Singapore with a father in the medical services of the Royal Navy.

Brother David and I attended Wallisdean, where our mother Christine Keeble worked for 31 years, then Bishopsfield and St Anne's respectively.

I married Robert in 1985 having met in our tutor group at Price's College; he served 25 years in the Royal Marines. I remained in Fareham with our three children John who is a vet, David with his own business and Sarah now studying veterinary physiotherapy at university.

I have worked continually since leaving college, firstly in a bank for 20 years, in retail, child-minding and later in a prep school and the local Conservative office as secretary.

During the 53 years I have lived in Fareham West Ward, I have been actively involved in community life as a school governor and supporting various charities and local groups.

**Lee Guerrier, of Highlands Road:** 'I fully endorse Tina for re-election for Fareham West Ward, following five years proactive and dynamic representation, she will be able to provide continuity of excellence as she has done to-date.'

**Richard Gardner:** 'I have known Tina Ellis as my Ward Councillor for many years. I feel she is an excellent Councillor and fully endorse her re-election.'

**Sean Taylor, of Blackbrook Road:** 'I endorse Councillor Ellis in the forthcoming elections, I believe Tina cares about the residents and the ward she represents. Councillor Ellis has battled on my behalf with Hampshire County Council regarding the current verge problems and my complaint would not have been escalated within HCC without her intervention.'

**Abu Suyeb Tanzam:** 'I've known Tina for many years; she's been a very supportive person for the local community and small business. In the forthcoming elections I would love to see her elected again so she can continue supporting us.'

## FAREHAM'S ECONOMY

Hundreds of new jobs created at Solent Airport at Daedalus; we will enable thousands more with Solent Airport being self-supporting as flight numbers grow.

We will pursue the publicly-supported visions to enhance both Fareham and Portchester shopping centres.

The Council does not set rates or rents, but as our high streets change towards leisure and eating as well as shops, we must change, too, and offer what support we can, especially as we encourage recovery after the COVID-19 pandemic. We will keep free car parking in all local shopping areas.

## FAREHAM'S FINANCES

We froze the council tax for 7 years and have recently been increasing it by just a penny a day for the FBC element. That is our pledge for the future.

We invest in commercial property in Fareham which brings benefits in terms of keeping council tax low and preserving excellent services.

We only raise 15% of overall spending from council tax and are very careful with your money, which is why we continue to set almost the lowest district council tax in England while providing some of the best services.

## FAREHAM'S ENVIRONMENT

We have delivered our pledge to ban the use of single-use plastics by the Council.

We are committed to the Council achieving net zero carbon by 2030 and will establish a deliverable carbon reduction plan this year. Actions not words.

We will work with the police to see zero tolerance of pavement parking which is both anti-social and dangerous as well as more action on antisocial behaviour.

We aim to introduce a recycling scheme for pots, tubs and trays as well as food waste and a wheeled green waste collection.

We will continue a massive programme of tree planting on Council land.

Tina, volunteering for One Community, delivers to Brian Misselbrook who was unable to shop. "I don't know where I'd be without all you lovely ladies helping me," he said.

Tina says the new glass recycling bins like this one in Anjou Crescent, are much easier to use and will take all colours. The pandemic has seen a large increase in glass recycling.
