

Looking after open spaces. Kay is looking forward to the refurbishment of the Salterns play area which is due to be completed by October 2021.

In her role as Chairman of the Housing Scrutiny Panel, Kay attended the Breaking the Turf Ceremony for the new social housing project in Highlands Road on the site of the old Hampshire Rose pub. Seen here with the Mayor, Councillor Pam Bryant and fellow councillors.

Discussing progress at Solent Airport with LFA (Lee Flying Association) Chairman Terry Coombes

Cremer Trust chairman George Cantrill thanking Kay for her continued support.

Kay in discussion with a Crofton Youth Project worker.

I was born in Stubbington and have lived in the village all of my life. I am self-employed and engaged in the preparation of management accounts, both corporate and individual. Since 2004 to date I have been an elected member of Fareham Borough Council representing formerly Stubbington and latterly Hill Head. During that time, I have been appointed as an Executive member of the council and Chairman of various committees. I was privileged to serve the borough as Mayoress of Fareham in 2001/2002. I am a founding member and treasurer of the Crofton Youth Project, a charity which supports the local youth club which is attended by young people from Hill Head and Stubbington. For a number of years, I have also supported Stubbington Fayre as a committee member, I am a trustee of the Randal Cremer Trust and Chairman of Trustees of the Hammond Memorial Hall Trust. As a councillor I have enjoyed supporting and helping local residents to maintain the safe village community in which we all live and work.

WHAT CONSERVATIVES AIM TO DO FOR FAREHAM

On Thursday May 6, vote for

Kay

# MANDRY

Your LOCAL Candidate

If you re-elect me, I will:

- **SEEK** to protect our strategic gaps
- **STRONGLY** resist inappropriate and unwanted development
- **PROTECT** our environment
- **URGE** priority for coastal protection
- **SUPPORT** and enhance local services
- **REPRESENT** constituents on local matters, irrespective of political persuasion.

Fareham has been safe in **CONSERVATIVE** hands for two decades

# CONSERVATIVES HAVE GOT SO MUCH MORE TO OFFER

## FAREHAM'S ECONOMY

Hundreds of new jobs already created at the Solent Enterprise Zone at Daedalus; we will enable thousands more. We will ensure that Solent Airport becomes self-supporting as flight numbers, already up by 50%, continue to grow. We will pursue the publicly supported visions to enhance both Fareham and Portchester shopping centres.

We will continue to support better broadband provision in the areas such as Whiteley and others which still do not have it.

## FAREHAM'S COMMUNITY

We have built new community centres at Whiteley and Portchester plus the Holly Hill Leisure Centre and Coldeast Play Park

We will upgrade all of our children's playgrounds and continue to support youth services via Y-Services

We will continue to campaign for minor injuries treatment, elderly care and maternity beds at Fareham Community Hospital as well as finding a public transport solution

## FAREHAM'S HOUSING

We will enable sufficient new homes for Fareham's need and fight government attempts to increase numbers further. That is 8,000 by 2036, mainly at Welborne

We will protect as much of our countryside as possible by using brownfield land first and, therefore, need to decide where the new homes go so that is not done by an appeal inspector without infrastructure

We will deliver as much affordable housing as possible including council housing, shared equity housing, discounted and even self build homes.

## DEDICATED TO HER WARD

The Cremer Trust, which manages Cremer Cottages comprising of a block of four single bed -roomed flats in Stubbington Lane. The flats replace the original almshouses which were provided under the terms of the will of Sir William Randal Cremer in 1909 as for the sole use of elderly single residents of limited means. Born in Fareham, Sir Randal was the borough's only Nobel Prize Winner.

Kay Mandry was first nominated by Fareham Borough Council as a trustee in 2014 and has worked consistently and tirelessly in ensuring that the needs of the residents have been satisfied. Kay has been described as a valuable 'go to' person when local services need to be accessed. All the residents at Cremer Cottages have her number knowing that she will respond when the wind blows down their fences or the mice from the fields behind try to seek refuge etc.

As George Cantrill, Chairman of the Trust says, "Kay is a much valued member of our team, giving of her time and wise counsel when we know she is so busy with her other Council duties."

## FAREHAM'S TRANSPORT

We have worked with the highways authority and Highways England to bring forward over £300 million of roads investment:

Stubbington Bypass, Newgate Lane North and South, St Margaret's Roundabout, Peel Common Roundabout and A27 dual carriageway from Segensworth to Fareham

The Smart Motorway programme, which is currently under review by the government, will add extra lanes to the M27 and M3 with variable speed limits and major improvements to Junctions 9 and 10

## FAREHAM'S FINANCES

We froze the Council Tax for 7 years and have recently increased it by just a penny a day. That is our intention for the future

We invest in commercial property mainly in Fareham, which brings benefits in terms of keeping Council Tax low and preserving excellent services

We only raise 14% of spending from Council Tax, so we are very careful with your money which is why we continue to set almost the lowest district Council Tax in England while providing some of the best services

## FAREHAM'S ENVIRONMENT

We have pledged to ban the use of single use plastics by the Council as soon as possible

We will work with the police to see zero tolerance of pavement parking which is both anti-social and dangerous

We aim to introduce a recycling scheme for pots, tubs and trays for Fareham residents until it can be provided across Hampshire by Hampshire County Council in line with their responsibility to provide the service.

Conservatives spend every penny of your money wisely — that's why you pay one of the lowest council taxes in England
