'Making Titchfield an even better place'

If you re-elect me, I will:

- **ENSURE** Titchfield ward remains a pleasant place to live
- **INSIST** that all public areas are kept clean and tidy
- **MAKE** certain that day-to-day issues are dealt with promptly
- **FIGHT** to keep the strategic gap
- **WORK** to ensure the best services are delivered efficiently
- **REPRESENT** residents on local matters

Fareham has been safe in **CONSERVATIVE** hands for 21 years

GREEN BELT, GREEN GAPS – ONLY WE HAVE PLANS TO PROTECT THEM

FAREHAM'S HOUSING

We are working hard to ensure that a South Hampshire Green Belt is created including the Meon and Stubbington/South Fareham countryside strategic gaps.

We will deliver Welborne's 6,000 homes and infrastructure to serve Fareham's housing needs removing the need to find land to build them elsewhere.

We will complete a new Local Plan accommodating the government's housing demands but lobby to reduce any need to have housing that is not necessary to meet Fareham's needs. We will continue to deliver as much truly affordable housing as possible and have underway the biggest council house building programme in Fareham for decades.

FAREHAM'S COMMUNITY

We have built Holly Hill Leisure Centre and are revamping Ferneham Hall as a modern arts and entertainment complex – Fareham Live – and modernising Fareham Leisure Centre.

We will upgrade all playgrounds, having built new ones at Holly Hill, Daedalus Common. Abbe Meadows, Titchfield is under way. We'll continue to support youth services via Y-Services.

We will continue to improve safety and security in Fareham Town Centre with a zero tolerance of begging and anti-social behaviour.

We will continue to campaign for minor injuries treatment, elderly care and maternity beds at Fareham Community Hospital as well as finding a public transport solution.

FAREHAM'S TRANSPORT

We have worked with the highway authority to bring forward over £100m of roads investment:

Stubbington Bypass, Newgate Lane North and South, St Margaret's Roundabout, Peel Common Roundabout and A27 dual carriageway from Segensworth to Fareham.

We will continue to work through the planning process to get further improvements to our road system paid for by developers.

And we renew our pledge that not a brick will be laid at Welborne until full infrastructure funding, including full funding for J10 on to the M27, is in place.

We also plan to extend the Eclipse bus rapid transit service around the Borough.

DEDICATED TO HER WARD

Jan Hill, Catisfield: 'I will be voting for Tiffany in the forthcoming election because she has been an enthusiastic and effective Councillor who, I am sure, will continue to provide a conscientious and dedicated service to our community.'

Surgeon Captain Bob Carmichael: 'I am only too happy to add my support for your well deserved re-election as the Titchfield Ward Councillor. I know that you have done a splendid job over the last 5 years and am sure that you can do the same for the next 3 years for all the residents of Titchfield and Catisfield.'

Chris Law: 'I am delighted to give my support to Tiffany Harper's campaign to be re-elected as the Ward Councillor for Titchfield.'

'Over the last 4 years she has performed her duties in an exemplary fashion, is very approachable and committed to helping and supporting all residents regardless of political persuasion.'

FAREHAM'S ECONOMY

Hundreds of new jobs created at Solent Airport at Daedalus; we will enable thousands more with Solent Airport being self-supporting as flight numbers grow.

We will pursue the publicly-supported visions to enhance both Fareham and Portchester shopping centres.

The Council does not set rates or rents, but as our high streets change towards leisure and eating as well as shops, we must change, too, and offer what support we can, especially as we encourage recovery after the COVID-19 pandemic.

We will keep free car parking in all local shopping areas.

FAREHAM'S FINANCES

We froze the council tax for 7 years and have recently been increasing it by just a penny a day for the FBC element. That is our pledge for the future.

We invest in commercial property in Fareham which brings benefits in terms of keeping council tax low and preserving excellent services.

We only raise 15% of overall spending from council tax and are very careful with your money, which is why we continue to set almost the lowest district council tax in England while providing some of the best services.

FAREHAM'S ENVIRONMENT

We have delivered our pledge to ban the use of single-use plastics by the Council.

We are committed to the Council achieving net zero carbon by 2030 and will establish a deliverable carbon reduction plan this year. Actions not words.

We will work with the police to see zero tolerance of pavement parking which is both anti-social and dangerous as well as more action on antisocial behaviour.

We aim to introduce a recycling scheme for pots, tubs and trays as well as food waste and a wheeled green waste collection.

We will continue a massive programme of tree planting on Council land.

The community is **always** top of her agenda
