Doing more for your area

What the Conservatives are doing for Fareham

Your housing

We are working hard to ensure that a South Hampshire Green Belt is created, including the Meon and Stubbington/South Fareham countryside strategic gaps.

We will deliver Welborne's 6,000 homes and infrastructure to serve Fareham's housing needs, removing the need to find land to build them elsewhere.

We will complete a new Local Plan, accommodating the central government's housing demands, but lobby to reduce any need to have housing that is not necessary to meet Fareham's needs.

We will continue to deliver as much truly affordable housing as possible, and have underway the biggest council house building programme in Fareham for decades.

Your community

We have built Holly Hill Leisure Centre and are revamping Ferneham Hall as a modern arts and entertainment complex – Fareham Live – as well as modernising Fareham Leisure Centre.

We will upgrade all playgrounds, having built new ones at Holly Hill and Daedalus Common and are currently developing Abbey Meadows in Titchfield. We will continue to support youth services via the Y-Services initiative.

We will continue to improve safety and security in Fareham Town Centre, with a zero tolerance approach to begging and anti-social behaviour.

We will continue to campaign for minor injuries treatment, elderly care and maternity beds at Fareham Community Hospital, as well as finding a public transport solution.

Your transport

We have worked with the highway authority to bring forward over £100m of roads investment, including the Stubbington Bypass, Newgate Lane North and South, St Margaret's Roundabout, Peel Common Roundabout and the A27 dual carriageway from Segensworth to Fareham.

We will continue to work through the planning process to get further improvements to our road system paid for by developers. And we renew our pledge that not a brick will be laid at Welborne until full infrastructure funding, including full funding for J10 on to the M27, is in place.

We also plan to extend the Eclipse bus rapid transit service around the Borough.

Your economy

Hundreds of new jobs have been created at Solent Airport at Daedalus. We will enable thousands more with Solent Airport becoming self-supporting as flight numbers grow.

We will pursue the publicly-supported visions to enhance both Fareham and Portchester shopping centres.

The Council does not set rates or rents, but as our high streets change towards more leisure and eating, as well as shops, we must change, too, and offer what support we can, especially as we encourage recovery after the COVID-19 pandemic.

We will keep free car parking in all local shopping areas.

Your public finances

We froze the council tax for seven years, and have recently been increasing it by just a penny a day for the Fareham Borough Council element. That is our pledge for the future.

We invest in commercial property in Fareham, which brings benefits in terms of keeping council tax low and preserving excellent services.

We only raise 15% of overall spending from council tax and are very careful with your money, which is why we continue to set almost the lowest district council tax in England, while providing some of the best services.

Your environment

We have delivered our pledge to ban the use of single-use plastics by the Council and are committed to the Council achieving net zero carbon by 2030, with a deliverable carbon reduction plan being established later this year.

We will work with the police to see zero tolerance of pavement parking, which is both antisocial and dangerous, as well as working to see more action on antisocial behaviour.

We aim to introduce a recycling scheme for pots, tubs and trays, as well as food waste and a wheeled green waste collection.

We will continue a massive programme of tree planting on Council land.

Dedicated to Locks Heath

"I am delighted to have been selected as your candidate for Locks Heath in the local elections. I am a Human Resources Professional working for a local charity, and I enjoy swimming, scuba diving, travelling and football.

"I am passionate about improving the quality of life for all residents by making the area more environmentally friendly and ensuring that the local area is well maintained and cared for.

"I hope to bring a fresh young approach to the council, as well as being a strong voice for local residents. I do hope that you give me the opportunity to represent you."

Malcolm Daniells

"I have served as Fareham Borough Councillor for Warsash for the past nine years. Now, and following the tragic passing of my colleague Keith Evans, I am also standing as the Hampshire County Council candidate for the Warsash & Locks Heath Division.

"I have held a strong association with our community for over 30 years, volunteering for very many local groups as well as being a Fareham Magistrate for 20 years. I was Mayor of Fareham in 2015/16 and am privileged to have been invited to take up the position again in May 2022 (subject to my re-election)."

Mike Ford

"Mike has worked hard on behalf of Warsash's residents as Councillor for the past eight years, including his year as Mayor of Fareham. He is always very approachable and has a great understanding of the issues that affect us here."
