Keeping our community

InTouch

FAREHAM is safest and happiest in Conservative hands.

Most residents say they are happy with the way we run the council. And a nationwide survey for the Halifax revealed the Borough is second placed in the UK where people are happiest to live. No wonder. Year on year we prove we can manage your money properly and maintain services, even in these austere times and through a pandemic when we kept our frontline services functioning.

We did it on one of the smallest local government grants in the UK and now we get no Revenue Support Grant – even more reason to ensure we stay in control of budgets.

What we have done for Fareham

Frozen your council tax for 7 years, then increased by just 1p a day while preserving services. It's the 5th lowest in the country

Recently improved community facilities including Holly Hill Leisure Centre, refurbished Fareham Leisure Centre, Coldeast Park, Abbey Meadows; community centres at Portchester, Whiteley; new, improved inclusive play areas across the Borough

New college, innovation centre, hangars, resurfaced runway at Solent Airport (Daedalus) enabling thousands of new jobs

Achieved our commitment to eliminate the use of Single Use Plastics in council buildings

New sheltered homes at Collingwood Court and Sylvan Court. Much needed council houses.

Huge £100m road improvement programme, including dual carriageway from Fareham to Segensworth, roundabout improvements, Stubbington Bypass

Frozen town centre parking charges for 12 years

Retaining, supporting Borough's youth services and many other community projects

What we plan to do for Fareham

Keep FBC council tax increase at 1p a day; make more savings; improve and preserve front-line services

Implement plan to be carbon neutral by 2030 for a greener Borough

Celebrate the Queen's Platinum Jubilee with a new park at Daedalus, the Queen's Copse at Titchfield, Big Jubilee lunches across the Borough and a beacon lighting at Portchester Castle

Launch an anti-littering campaign for a cleaner Borough – "No more rubbish excuses!"

Press for greater use of Fareham Community Hospital, including minor injury treatment

Work to achieve a Green Belt in South Hampshire including Fareham to give permanent protection against development

Maximise development wherever possible on brownfield sites

Build new arts and entertainment complex 'Fareham Live'

Maintain free parking in local shopping centres

ONLY the Conservatives can keep your Council Tax low and still deliver the goods
