CONSERVATIVES DELIVERING FOR YOU TIME AFTER TIME

FAREHAM'S ECONOMY

Hundreds of new jobs created at Solent Airport at Daedalus; we will enable thousands more with Solent Airport being self-supporting as flight numbers grow.

We will pursue the publicly-supported visions to enhance both Fareham and Portchester shopping centres. The Council does not set rates or rents, but as our high streets change towards leisure and eating as well as shops, we must change, too, and offer what support we can, especially as we encourage recovery after the COVID-19 pandemic.

We will continue our Live Love Local campaign to support local shops.
We will keep car parking free in all local shopping areas.

FAREHAM'S COMMUNITY

We have built Holly Hill Leisure Centre, have modernised Fareham Leisure Centre and are rebuilding Ferneham Hall as a modern arts and entertainment complex – Fareham Live. We will upgrade all playgrounds, having built new ones at Holly Hill, Daedalus Common and Abbey Meadows. We'll continue to support youth services via Y-Services. We will continue to improve safety and security in Fareham Town Centre with a zero tolerance of begging and anti-social behaviour and new CCTV cameras and patrols.

We will continue to campaign for minor injuries treatment, elderly care and maternity beds at Fareham Community Hospital as well as finding a public transport solution.

FAREHAM'S HOUSING

We are working hard to ensure that a South Hampshire Green Belt is created including the Meon and Stubbington/South Fareham countryside strategic gaps which would prevent further housing development. We will maximise the development levels on brownfield sites.

We will deliver Welborne's 6,000 homes and infrastructure to serve Fareham's housing needs removing the need to find even more land to build them elsewhere.

We will adopt a new Local Plan accommodating the government's housing demands but lobby to reduce any need to have housing that is not necessary to meet Fareham's needs.

We will continue to deliver as much truly affordable housing as possible and have underway the biggest council house building programme in Fareham for decades.

CONNIE IS DEDICATED TO THE TITCHFIELD WARD

FAREHAM HAS BEEN SAFE IN CONSERVATIVE HANDS FOR 23 YEARS

Connie Hockley

I have had the privilege of serving all the residents of Titchfield Ward for the past 24 years; a position I have found very rewarding.

During my tenure I have met and made friends with many residents and helped resolve and support many local issues.

Over the years I have served on numerous Council Committees and outside bodies. I am Chairman of the Leisure & Community Scrutiny Panel, serve on the Planning Committee, a Member of the Policy & Resources and Housing Scrutiny Panels. I am also a Trustee of the Earl of Southampton Trust, and support the Titchfield Village Trust, Catisfield Village Association and Patron of Y-Services to name a few. The last couple of years has, I know, been difficult for everyone. I have continued to work from home but missed being out and about meeting residents.

I have, however, up-skilled with the use of a computer! Hopefully we will soon feel that we can return to some kind of normal and I look forward to being able to do so. If re-elected I will continue to work hard for residents and to respond to any queries/concerns promptly.

FAREHAM'S TRANSPORT

We have worked with the highway authority to bring forward over £100m of roads investment:

Stubbington Bypass, Newgate Lane North and East, St Margaret's Roundabout, Peel Common Roundabout and A27 dual carriageway from Segensworth to Fareham.

We will continue to work through the planning process to get further improvements to our road system paid for by developers.

Now that our pledge that not a brick will be laid at Welborne until infrastructure funding, including full funding for J10 on to the M27, is in place has been fulfilled we will work with developers to ensure the timely provision of that infrastructure

We also plan to extend the Eclipse bus rapid transit service around the Borough including to Welborne.

FAREHAM'S FINANCES

We froze the council tax for seven years and have recently been increasing it by just a penny a day for the FBC element giving us the 5th lowest council tax in the country.

That is our pledge for the future.

We invest in commercial property in Fareham which brings benefits in terms of keeping council tax low and preserving excellent services. We only raise 16% of overall spending from council tax and are very careful with your money, which is why we continue to set almost the lowest district council tax in the country while providing some of the best services, costing less than £3 per week for the average home.

FAREHAM'S ENVIRONMENT

We have delivered our pledge to ban the use of single-use plastics by the Council and we are committed to the Council achieving net zero carbon by 2030 and will have delivered a carbon reduction plan. Actions not words.

We will work with the police to see zero tolerance of pavement parking, which is both antisocial and dangerous, as well as parking of untaxed vehicles and more action on antisocial behaviour and vandalism.

We are running an anti-littering campaign across the Borough as we spend over £1m keeping the Borough clean and tidy – "No more rubbish excuses!"

We aim to introduce a recycling scheme for pots, tubs and trays as well as food waste and we will continue a massive programme of tree planting on Council land.

Connie at the entrance to Abbey Meadows. Inset: Connie is joined by Cllr Tiffany Harper, Mayor Cllr Pam Bryant, Mayoress Cllr Louise Clubley and Leader Cllr Seán Woodward at the planting of the first of 100 new trees in Abbey Meadows

Connie was delighted to be able to support the members of the Oasis Youth Club who undertook a litter pick in Titchfield on a very dark and windy night. Well done everyone and thank you Emma for organising.

Rebecca Hesselmann, Catherine Witt, Connie, Adrienne Wareham and Wendy Hesselmann all enjoyed attending a Vintage Tea Dance in aid of The Catisfield Platinum Jubilee Committee held at the Catisfield Memorial Hall.

Connie spreading grit on an extremely cold morning. Although the winter has been quite mild the grit bins have come into their own during cold snaps.

Tree planting is so important and Connie was happy to join with all Conservative Councillors in paying for an oak to be planted to commemorate the Queen's Platinum Jubilee at Abbey Meadows Country Park in Titchfield.

On a very windy February day, Connie had the chance to show her granddaughter the recently installed play area on the Abbey Meadows site - and she loved it.

Connie joined the Titchfield Luncheon Club to help celebrate the Club's 50th Anniversary. Ken Moore and Connie cut the beautifully decorated cake baked especially for the occasion.

Connie joined Cllr Seán Woodward and Kimmy Sabey in supporting Fareham Borough Council's Live Love Local scheme to encourage residents to shop locally and to make more use of their local traders.
