CONSERVATIVES DELIVERING FOR YOU TIME AFTER TIME

FAREHAM'S ECONOMY

Hundreds of new jobs created at Solent Airport at Daedalus; we will enable thousands more with Solent Airport being self-supporting as flight numbers grow.

We will pursue the publicly-supported visions to enhance both Fareham and Portchester shopping centres. The Council does not set rates or rents, but as our high streets change towards leisure and eating as well as shops, we must change, too, and offer what support we can, especially as we encourage recovery after the COVID-19 pandemic.

We will continue our Live Love Local campaign to support local shops. We will keep car parking free in all local shopping areas.

FAREHAM'S COMMUNITY

We have built Holly Hill Leisure Centre, have modernised Fareham Leisure Centre and are rebuilding Ferneham Hall as a modern arts and entertainment complex – Fareham Live. We will upgrade all playgrounds, having built new ones at Holly Hill, Daedalus Common and Abbey Meadows. We'll continue to support youth services via Y-Services. We will continue to improve safety and security in Fareham Town Centre with a zero tolerance of begging and anti-social behaviour and new CCTV cameras and patrols.

We will continue to campaign for minor injuries treatment, elderly care and maternity beds at Fareham Community Hospital as well as finding a public transport solution.

FAREHAM'S HOUSING

We are working hard to ensure that a South Hampshire Green Belt is created including the Meon and Stubbington/South Fareham countryside strategic gaps which would prevent further housing development. We will maximise the development levels on brownfield sites.

We will deliver Welborne's 6,000 homes and infrastructure to serve Fareham's housing needs removing the need to find even more land to build them elsewhere.

We will adopt a new Local Plan accommodating the government's housing demands but lobby to reduce any need to have housing that is not necessary to meet Fareham's needs.

We will continue to deliver as much truly affordable housing as possible and have underway the biggest council house building programme in Fareham for decades.

FRAIR IS DEDICATED TO WARSASH AND HOOK

David Riley of Warsash said: "I first met Frair in September of last year. Everything I have seen of her since then, leaves me in no doubt that she is an excellent candidate and will be a very good representative for the people of Warsash"

John Kent of Warsash said: "I have been impressed by Frair's knowledge and commitment. She has demonstrated that she is keen to put in a lot of time and effort into being a Councillor if elected. She also brings in experience from being involved in politics elsewhere."

Deborah from the Nook and Cranny restaurant said: "Frair was a very active member of the Bursledon Community when she lived there and we ran our previous business. I am delighted to hear that she is a candidate in the Borough elections this May in Warsash."

Cllr Mike Ford of Warsash said: "I am absolutely delighted that Frair is to be our candidate at the forthcoming election. She is involved with the local community and brings with her, some very relevant experience. Should she be elected, I look forward to working with her here in Warsash."

FAREHAM HAS BEEN SAFE IN CONSERVATIVE HANDS FOR 23 YEARS

Frair Burgess

Frair Burgess has been involved in community life in Warsash and Hook for a number of years with both her children currently attending Hook-with-Warsash C of E Academy. She is also a tennis coach at Warsash TC.

"As a family, we are involved in a number of the Community Clubs so it was with real joy that we moved from Bursledon to Warsash last year.

"When living in Bursledon I was an active member of the local community including organising food deliveries for those isolating, spearheading a community group to fight unwanted development and organising a street party or two! I look forward to throwing myself into Community life here in Warsash.

"I am delighted and honoured to be standing as the Conservative candidate in the Borough elections this May. I will strive to serve the Community as Trevor Cartwright has done so magnificently for so many years."

FAREHAM'S TRANSPORT

We have worked with the highway authority to bring forward over £100m of roads investment:

Stubbington Bypass, Newgate Lane North and East, St Margaret's Roundabout, Peel Common Roundabout and A27 dual carriageway from Segensworth to Fareham.

We will continue to work through the planning process to get further improvements to our road system paid for by developers.

Now that our pledge that not a brick will be laid at Welborne until infrastructure funding, including full funding for J10 on to the M27, is in place has been fulfilled we will work with developers to ensure the timely provision of that infrastructure

We also plan to extend the Eclipse bus rapid transit service around the Borough including to Welborne.

FAREHAM'S FINANCES

We froze the council tax for seven years and have recently been increasing it by just a penny a day for the FBC element giving us the 5th lowest council tax in the country.

That is our pledge for the future.

We invest in commercial property in Fareham which brings benefits in terms of keeping council tax low and preserving excellent services. We only raise 16% of overall spending from council tax and are very careful with your money, which is why we continue to set almost the lowest district council tax in the country while providing some of the best services, costing less than £3 per week for the average home.

FAREHAM'S ENVIRONMENT

We have delivered our pledge to ban the use of single-use plastics by the Council and we are committed to the Council achieving net zero carbon by 2030 and will have delivered a carbon reduction plan. Actions not words.

We will work with the police to see zero tolerance of pavement parking, which is both antisocial and dangerous, as well as parking of untaxed vehicles and more action on antisocial behaviour and vandalism.

We are running an anti-littering campaign across the Borough as we spend over £1m keeping the Borough clean and tidy – "No more rubbish excuses!"

We aim to introduce a recycling scheme for pots, tubs and trays as well as food waste and we will continue a massive programme of tree planting on Council land.

Frair joined Cllr Mike Ford to discuss some of the significant parking issues in Brook Lane recently and looked at what possible solutions there could be that would benefit the local residents and enable those working on the sites to do their jobs too

Frair can often be seen in the village where she is happy answering residents' concerns.

Tree planting is so important and Frair was happy to join with all Conservative Councillors in paying for an oak to be planted to commemorate the Queen's Platinum Jubilee at Abbey Meadows Country Park in Titchfield, although wasn't able to be there on the day..

Frair joined Cllr Trevor Cartwright at the Strawberry Fields where they discussed why it is so popular and that despite its popularity it is not without some anti-social behaviour.

Frair chats with local business owners, Kate Jubb of 'DogNBone' and Deborah, the owner of the 'Nook & Cranny' restaurant, about local issues affecting them.
