Jacque in discussion with a Stubbington resident

A day out with local conservative councillors to view Borough projects and improvements.

I grew up in Gosport and moved to Stubbington in 1979. I've seen many positive changes in the area I love and some things that concern me. I trained as an accountant in Gosport and worked as company accountant for local firms and as finance officer for several schools. In 1986 I started a family and set up my own accountancy practice. I supplemented this by working on the shop floor in Marks and Spencer's. I now provide financial advice to a wide range of businesses in the area. I have always been involved with the girl guides and continued as an adult volunteer. I still belong to the Crofton Trefoil group. In 2009 I secured the funding and project managed the rebuilding of the Stubbington Girl Guide Centre. In 2015 I volunteered with Gosport Citizens Advice providing support solutions to the wide range of problems affecting local people. As your councillor, I would represent all your views in improving our village and local area in a cost-effective and sustainable manner. The protection of the strategic gap and Stubbington as a separate village would be a priority

CONSERVATIVES HAVE GOT SO MUCH MORE TO OFFER

FAREHAM'S ECONOMY

Hundreds of new jobs created at the Solent Airport at Daedalus; we will enable thousands more with Solent Airport being self-supporting as flight numbers grow. We will pursue the publicly supported visions to enhance both Fareham and Portchester shopping centres. The council does not set rates or rents, but as our high streets change towards leisure and eating as well as shops, we must change too, and offer what support we can, especially as we encourage recovery after the COVID-19 pandemic.

We will continue our Live Love Local campaign to support local shops.

We will keep car parking free in all local shopping areas.

FAREHAM'S COMMUNITY

We have built Holly Hill Leisure Centre, have modernised Fareham Leisure Centre and are rebuilding Ferneham Hall as a modern arts and entertainment complex-Fareham Live. We will upgrade all playgrounds, having built new ones at Holly Hill, Daedalus Common and Abbey Meadows. We'll continue to support youth services via Y-Services. We will continue to improve safety and security in Fareham Town Centre with a zero tolerance of begging and anti-social behaviour and new CCTV cameras and patrols.

We will continue to campaign for minor injuries treatment, elderly care and maternity beds at Fareham Community Hospital as well as finding a public transport solution.

FAREHAM'S HOUSING

We are working hard to ensure that a South Hampshire Green Belt is created including the Meon and Stubbington/South Fareham countryside strategic gaps which would prevent further housing development. We will maximise the development levels on brownfield sites. We will deliver Welborne's 6,000 homes and infrastructure to serve Fareham's housing needs, removing the need to find even more land to build them elsewhere. We will adopt a new Local Plan accommodating the government's housing demands but lobby to reduce any need to have housing that is not necessary to meet Fareham's needs.

We will continue to deliver as much truly affordable housing as possible and have underway the biggest council house building programme in Fareham for decades.

DEDICATED TO STUBBINGTON

Jacque is multi-talented, honest, hard working, always there to help, and gets to the bottom of any issues raised. She knows lots of local organisations and will want to make a positive difference where possible to the STUBBINGTON residents. No matter how big or small the problem is, she will tackle it with huge energy.

Marion Dennis (Headmasters)

I have known Jacque for almost 30 years. I am pleased to see that she is standing as a Candidate in the May Elections for Stubbington as she is determined, hardworking and understanding, the qualities needed for the job. Not only that, but she has an excellent track record for helping the community. She has been a Guider for 20 years and was a driving force for funding and building the new Stubbington Guide Centre next to the Surgery. I think anyone who has lived in Stubbington for 42 years, has a good working knowledge of what is needed to help and improve the area. I believe Jacque would make a first-class Councillor.

Tim Knight (Hon. Alderman Fareham Borough Council and Hampshire County Council)

I have known Jacque Needham for several years through Girlguiding Crofton District. Jaquie was instrumental in securing the funding that was needed to rebuild the Girlguiding Centre for Stubbington. Jaquie took on the challenge with great enthusiasm and succeeded within a short space of time. Jaquie saw the rebuild through to the end, accomplishing all the challenges that were faced along the way.

FAREHAM'S TRANSPORT

We have worked with the highway authority to bring forward over £100 million of roads investment:

Stubbington Bypass, Newgate Lane North and South, St Margaret's Roundabout, Peel Common Roundabout and A27 dual carriageway from Segensworth to Fareham.

We will continue to work through the planning process to get further improvements to our road system paid for by developers.

Now that our pledge that not a brick will be laid at Welborne until infrastructure funding, including full funding for J10 on to the M27, is in place has been fulfilled we will work with infrastructure providers to ensure the timely provision of that infrastructure. We also intend to extend the Eclipse bus rapid transit service around the borough including Welborne

FAREHAM'S FINANCES

We froze the Council Tax for 7 years and have recently been increasing it by just a penny a day for the FBC element giving us the 5th lowest council tax in the country.

That is our pledge for the future.

We invest in commercial property in Fareham, which brings benefits in terms of keeping Council Tax low and preserving excellent services.

We only raise 16% of overall spending from Council Tax and are very careful with your money, which is why we continue to set almost the lowest district council tax in the country while providing some of the best services, costing less than £3 per week for the average home.

FAREHAM'S ENVIRONMENT

We have delivered our pledge to ban the use of single use plastics by the Council and we are committed to the Council achieving net zero carbon by 2030 and will have delivered a carbon reduction plan. Actions not words.

We will work with the police to see zero tolerance of pavement parking which is both anti-social and dangerous as well as more action on antisocial behaviour.

We are running an anti littering campaign across the Borough as we spend over £1m keeping it clean and tidy-"No more rubbish excuses!"

We aim to introduce a recycling scheme for pots, tubs and trays as well as food waste and we will continue a massive programme of tree planting on Council land.

Conservatives spend every penny of your money wisely — that's why you pay one of the lowest council taxes in England
