### Working for the Titchfield Common community

If you elect me, I promise I will:

- HELP** you access the services you need, work on your behalf and fight for what matters to you.
- INFORM** you on what is happening locally by continuing to deliver the InTouch, now in its 38th year.
- ACT** on your concerns about speeding and work towards introducing Community Speedwatch within the ward.
- FIGHT** to protect designated countryside within the ward from housing development.
- SUPPORT** our local shops and businesses, which are still feeling the impact of the pandemic and promote them locally.
- PROTECT** Our most vulnerable residents.

Fareham has been safe in CONSERVATIVE hands for 23 years

**CONSERVATIVES DELIVERING FOR YOU TIME AFTER TIME**

**FAREHAM'S ECONOMY**

Hundreds of new jobs created at Solent Airport at Daedalus; we will enable thousands more with Solent Airport being self-supporting as flight numbers grow.

We will pursue the publicly-supported visions to enhance both Fareham and Portchester shopping centres. The Council does not set rates or rents, but as our high streets change towards leisure and eating as well as shops, we must change, too, and offer what support we can, especially as we encourage recovery after the COVID-19 pandemic.

We will continue our Live Love Local campaign to support local shops. We will keep car parking free in all local shopping areas.

**FAREHAM'S COMMUNITY**

We have built Holly Hill Leisure Centre, have modernised Fareham Leisure Centre and are rebuilding Ferneham Hall as a modern arts and entertainment complex – Fareham Live. We will upgrade all playgrounds, having built new ones at Holly Hill, Daedalus Common and Abbey Meadows. We'll continue to support youth services via Y-Services. We will continue to improve safety and security in Fareham Town Centre with a zero tolerance of begging and anti-social behaviour and new CCTV cameras and patrols.

We will continue to campaign for minor injuries treatment, elderly care and maternity beds at Fareham Community Hospital as well as finding a public transport solution.

**FAREHAM'S HOUSING**

We are working hard to ensure that a South Hampshire Green Belt is created including the Meon and Stubbington/South Fareham countryside strategic gaps which would prevent further housing development. We will maximise the development levels on brownfield sites.

We will deliver Welborne's 6,000 homes and infrastructure to serve Fareham's housing needs removing the need to find even more land to build them elsewhere.

We will adopt a new Local Plan accommodating the government's housing demands but lobby to reduce any need to have housing that is not necessary to meet Fareham's needs.

We will continue to deliver as much truly affordable housing as possible and have underway the biggest council house building programme in Fareham for decades.

**SARAH JOLLIFFE IS DEDICATED TO TITCHFIELD COMMON**

**Linda, from Locks Heath Park Road,** said: "Thank you for all your help getting support for my elderly dad. I can't thank you enough."

**Jane, from Summerfields,** said: "You have gone above and beyond Sarah, you really seem to care about the residents."

**John, from Abshot Road,** said: "Polite, friendly and caring lady."

**Pat, from Oaklands Way,** said: "Very approachable & chatty, thanks for support with my son."

## FAREHAM HAS BEEN SAFE IN CONSERVATIVE HANDS FOR 23 YEARS

### Sarah Jolliffe

Sarah has lived in the Western Wards of Fareham for 33 years.

As a result she knows a lot of people in the Titchfield Common Ward already and is looking forward to renewing acquaintances with those she does know, as well as meeting new people as she canvasses ahead of the Borough elections in May.

Sarah really enjoys having the opportunity to help residents access local services and recycling.

You can often find Sarah at one of the various parks or other open spaces on litter duty.

She is friendly and accessible and looks forward to meeting more of her neighbours in the build up to the election and beyond.

Please stop her for a chat and to say hello if you see her. Sarah has most recently been campaigning about the lack of access to GPs and GP appointments and the difficulties of using the E-consult service.

She has passed all of those concerns from her recent survey on to the authorities for them to take some action.

### FAREHAM'S TRANSPORT

We have worked with the highway authority to bring forward over £100m of roads investment: Stubbington Bypass, Newgate Lane North and East, St Margaret's Roundabout, Peel Common Roundabout and A27 dual carriageway from Segensworth to Fareham.

We will continue to work through the planning process to get further improvements to our road system paid for by developers.

Now that our pledge that not a brick will be laid at Welborne until infrastructure funding, including full funding for J10 on to the M27, is in place has been fulfilled we will work with developers to ensure the timely provision of that infrastructure

We also plan to extend the Eclipse bus rapid transit service around the Borough including to Welborne.

### FAREHAM'S FINANCES

We froze the council tax for seven years and have recently been increasing it by just a penny a day for the FBC element giving us the 5th lowest council tax in the country. That is our pledge for the future.

We invest in commercial property in Fareham which brings benefits in terms of keeping council tax low and preserving excellent services. We only raise 16% of overall spending from council tax and are very careful with your money, which is why we continue to set almost the lowest district council tax in the country while providing some of the best services, costing less than £3 per week for the average home.

### FAREHAM'S ENVIRONMENT

We have delivered our pledge to ban the use of single-use plastics by the Council and we are committed to the Council achieving net zero carbon by 2030 and will have delivered a carbon reduction plan. Actions not words.

We will work with the police to see zero tolerance of pavement parking, which is both antisocial and dangerous, as well as parking of untaxed vehicles and more action on antisocial behaviour and vandalism.

We are running an anti-littering campaign across the Borough as we spend over £1m keeping the Borough clean and tidy – "No more rubbish excuses!"

We aim to introduce a recycling scheme for pots, tubs and trays as well as food waste and we will continue a massive programme of tree planting on Council land.

Sarah recently met with owner of local hair & beauty salon, Lynsey who runs Hair at 166 located on Hunts Pond Road, Sarah said: "it was lovely to meet Lynsey & good to hear that business is booming having recovered from the effect of the pandemic, a lovely local salon with really friendly staff".

Sarah has even been introducing herself to some of the furry residents of Titchfield Common as she gets to know more people across the ward

Tree planting is so important and Sarah was happy to join with all Conservative Councillors in paying for an oak to be planted to commemorate the Queen's Platinum Jubilee at Abbey Meadows Country Park in Titchfield.

Sarah has been very active throughout Titchfield Common in the build up to the election on May 5. She has been finding out from residents on the doorstep what the issues are that are affecting them most in the ward at the moment.

Sarah has been meeting up with Fareham MP Suella Braverman so she can discuss issues that are affecting Titchfield Common with her directly to see what support might be available.
