

Steve is always happy to meet and talk with residents about any issues they have.

Conservative councillors and candidates pictured at the new Abbey Meadows play area.

I have lived in Hill Head and Stubbington for the last 31 years and before retiring worked as a MOD civil servant in aircraft engineering for 47 years. I have had the honour of spending the last 4 years as the local councillor for Hill Head and have several roles in the community including the management board of Crofton Community Centre and Council representative on the advisory committee at the Stubbington Study Centre. I also serve on the housing scrutiny panel and I am the chairman of the Daedalus scrutiny panel and deputise on several other panels. I am a trustee of the Hammond Hall Memorial Trust and the Sir Randall Cremer Trust.

I enjoy meeting residents in the village centre to discuss issues or to chat in general and I certainly would not wish to live anywhere else. To be elected again would allow me to continue representing local residents and to use the knowledge I have gained in the last four years across a broad spectrum of subjects.

REPRESENT constituents' views on local matters irrespective of political persuasion

SUPPORT local businesses and charities

PRACTISE and encourage open communication by any appropriate means

BE PUBLICLY accessible at least monthly to discuss issues and ideas

CONTINUE to produce the IN TOUCH newsletter for Hill Head and Stubbington residents

FIGHT to protect as much countryside in the Ward from housing development as possible

RESPOND to your letters, telephone calls, e-mails and texts within 48 hours.

Fareham has been safe in **CONSERVATIVE** hands for 23 years

CONSERVATIVES HAVE GOT SO MUCH MORE TO OFFER

FAREHAM'S ECONOMY

Hundreds of new jobs created at the Solent Airport at Daedalus; we will enable thousands more with Solent Airport being self-supporting as flight numbers grow. We will pursue the publicly supported visions to enhance both Fareham and Portchester shopping centres. The council does not set rates or rents, but as our high streets change towards leisure and eating as well as shops, we must change too, and offer what support we can, especially as we encourage recovery after the COVID-19 pandemic.

We will continue our Live Love Local campaign to support local shops.

We will keep car parking free in all local shopping areas.

FAREHAM'S COMMUNITY

We have built Holly Hill Leisure Centre, have modernised Fareham Leisure Centre and are rebuilding Ferneham Hall as a modern arts and entertainment complex-Fareham Live. We will upgrade all playgrounds, having built new ones at Holly Hill, Daedalus Common and Abbey Meadows. We'll continue to support youth services via Y-Services. We will continue to improve safety and security in Fareham Town Centre with a zero tolerance of begging and anti-social behaviour and new CCTV cameras and patrols.

We will continue to campaign for minor injuries treatment, elderly care and maternity beds at Fareham Community Hospital as well as finding a public transport solution.

FAREHAM'S HOUSING

We are working hard to ensure that a South Hampshire Green Belt is created including the Meon and Stubbington/South Fareham countryside strategic gaps which would prevent further housing development. We will maximise the development levels on brownfield sites. We will deliver Welborne's 6,000 homes and infrastructure to serve Fareham's housing needs, removing the need to find even more land to build them elsewhere. We will adopt a new Local Plan accommodating the government's housing demands but lobby to reduce any need to have housing that is not necessary to meet Fareham's needs.

We will continue to deliver as much truly affordable housing as possible and have underway the biggest council house building programme in Fareham for decades.

DEDICATED TO HIS WARD

I have known Steve Dugan for the past four years and have grown to appreciate the extent of his commitment to the local community, as an elected councillor and as a local resident. He is a very approachable and supportive representative and is passionate about the resolution of local issues in the Hill Head and Stubbington area. I have worked with Steve on specific projects associated with Crofton Community Association, based at the Stubbington Community Centre, where he is FBC's representative on the Management Committee. His sage advice and willingness to engage, listen and take positive action is always appreciated.

Malcolm Lewis, MBE

I have known Councillor Steve Dugan for approximately 25 years, both as a work colleague and friend, and more recently as our local representative. Steve has a very approachable nature and is extremely easy to work with. He has the ability to listen to specific individual needs and will always provide a candid honest answer to issues. He is prepared to take time to investigate all aspects of a problem and will offer you a balanced view.

FAREHAM'S TRANSPORT

We have worked with the highway authority to bring forward over £100 million of roads investment:

Stubbington Bypass, Newgate Lane North and South, St Margaret's Roundabout, Peel Common Roundabout and A27 dual carriageway from Segensworth to Fareham.

We will continue to work through the planning process to get further improvements to our road system paid for by developers.

Now that our pledge that not a brick will be laid at Welborne until infrastructure funding, including full funding for J10 on to the M27, is in place has been fulfilled we will work with infrastructure providers to ensure the timely provision of that infrastructure. We also intend to extend the Eclipse bus rapid transit service around the borough including Welborne

FAREHAM'S FINANCES

We froze the Council Tax for 7 years and have recently been increasing it by just a penny a day for the FBC element giving us the 5th lowest council tax in the country.

That is our pledge for the future.

We invest in commercial property in Fareham, which brings benefits in terms of keeping Council Tax low and preserving excellent services.

We only raise 16% of overall spending from Council Tax and are very careful with your money, which is why we continue to set almost the lowest district council tax in the country while providing some of the best services, costing less than £3 per week for the average home.

FAREHAM'S ENVIRONMENT

We have delivered our pledge to ban the use of single use plastics by the Council and we are committed to the Council achieving net zero carbon by 2030 and will have delivered a carbon reduction plan. Actions not words.

We will work with the police to see zero tolerance of pavement parking which is both anti-social and dangerous as well as more action on antisocial behaviour.

We are running an anti littering campaign across the Borough as we spend over £1m keeping it clean and tidy-"No more rubbish excuses!"

We aim to introduce a recycling scheme for pots, tubs and trays as well as food waste and we will continue a massive programme of tree planting on Council land.

Conservatives spend every penny of your money wisely — that's why you pay one of the lowest council taxes in England
