CONSERVATIVES

choice

'We pledge our integrity, accountability and 100% representation'

'Unlike one of the Liberal councillors who's at last done the decent thing and resigned, we don't have to fly 4,000 miles to put in rare appearances at council meetings because we live locally, so we are ALWAYS available to meet you, listen to your concerns, attend ALL council meetings and guarantee your views are heard and properly followed up.'

Jackie Hudson and Tom Davies pledge:

If elected, we will work to:

- IMPROVE** parking and traffic flow, particularly around Wickham Road where we're looking into more yellow lines and residents' parking
- PREVENT** flooding by working with the Environment Agency and Wallington Village Community Association to secure the flood defences. No more short-term fixes, but a proper solution to the problem
- SECURE** funding for a Fareham Community Centre to provide town centre residents with a focal point to meet and enjoy social activities
- KEEP** council tax as low as possible. Ours is 5th lowest in England and we want it to stay this way, while maintaining core services
- PROTECT** green spaces, stop further infilling or garden grabbing. We recognise the need for development, but we should develop brownfield areas, disused factories, old commercial sites for new housing
- LIAISE** closely with our dynamic new MP, Suella Fernandes. A vote for the Conservatives locally provides you with the strongest link between the Council and Westminster

Please remember to vote – we are counting on YOUR support
